Discover Your Dharma Shivani Singh 2009 It is an age-old belief that when we grow up, we will wake up one morning, and voila! we will know our life purpose. Yet, we are all grown up, working like a dog, tired to the bone, and still no life purpose in sight! The truth is our life purpose is actually our dharma - taking the right action as it presents itself. In this book, you will find the Secrets to knowing exactly what to do with your life. Designed especially for you, the modern dharma seeker, Discover Your Dharma provides a uniquely practical and innovative process to guide you through your journey of discovery. Begin it now!

Calling Jen Tringale 2018-09-25 Most people know or suspect that there is a purpose for their life, but they do not know how to collaborate with it. Calling: Understanding Your Purpose, Place & Position breaks that process down into steps. It details the forces at work on the path of your destiny—both those that are working for you and the ones working against you, so you can position yourself to handle both. Jen Tringale has written this book based on her own and others' experiences of walking the path of destiny. She speaks to the heart of every believer who desires to see God's plan for their life become a reality and wants the tools to achieve it. The vast changes in our world—with ever expanding technologies, social shifts, and economic twists and turns—demand that a new breed of pioneers emerge, ready to discover what God has in store for them. Jen tackles the specifics of what it takes to live a life of destiny, and how to cooperate with its power and potential. She goes beyond the concept of destiny to show how it can be recognized in day-to-day life, and how living for a purpose greater than yourself can unlock blessings beyond measure.

Encountering the Jewish Future Marc H. Ellis 2011-07 The most vital questions about Judaism—present and future—are prefigured, says Marc Ellis in the work of Elie Wiesel, Martin Buber, Abraham Joshua Heschel, Hannah Arendt, and Emmanuel Levinas. Ellis encounters each thinker to contemplate biblical, theological, and philosophical insights so to foster Jewish empowerment and to ensure a Jewish future.

Own Your Day Diana Marsland 2021-05-10 Are you a manager, stuck in between pressure from senior leadership and needs from your team? Do you sometimes feel that you've been robbed of your power, your influence... and your ability to actually achieve anything?! It's time to Own Your Day. If you're a hard-pressed manager, this practical and purposeful collection of simple tools and techniques will empower you to translate the strategy from the top into real results on the ground. Based on working experience from hundreds of organizations, Own Your Day uses an easy-to-apply mix of real-life case studies and specific guidance to help you adapt what you've learned to your own circumstances - all grounded in solid primary research from expert authors. Covering the full range of day-to-day challenges and issues, this book includes: - Balancing the needs of strategy and delivery - The importance of prep vs planning - Developing and using your influence - Getting the best out of yourself and the people around you - Being your authentic self - Implementing change successfully Don't get stuck in the middle - reclaim your autonomy, step into your authority, and Own Your Day.

Own The Moment Carl Lentz 2017-10-31 Shares the story of how the author went from an average adolescent to being the stylish leader of a thriving congregation and ministering to celebrities, along with advice for Christians to maintain their faith in an often ungodly world.

The Intentional MBA Christine Dagenais If you're looking for a maximum return on your MBA investment (a.k.a. ROI), you've picked up the right book. The small, intentional practices of self-reflection and application found in this book can have a large, measurable impact on your career, MBA experience, and outlook on life. Whether you're considering an MBA, studying in school now, or you've graduated, you will find information here to help you get the most out of your MBA experience. This book is written for MBAs by MBAs. We've heard and lived everything you've wondered about an MBA, and we've put together this practical guide to help you create an intentional MBA experience, as well as define and achieve your ROI.

The Write Mind for Every Classroom Jason Wirtz 2015-11-02 First and foremost, and most inclusively, anyone fascinated by thinking and learning about connections between brain research and writing should read The Write Mind for Every Classroom: How to Connect Brain Science and Writing Across the Disciplines. Teachers of writing across a wide range of grade levels will find this book useful, especially those teaching adolescents. The information and activities are designed for those teaching across secondary and post-secondary content areas. As writing becomes increasingly central across all content areas as a result of both federal and state mandates such as the Common Core State Standards (CCSS), this book will be useful to all teachers of adolescents. College and university professors will find this book useful in helping to prepare today's pre-service teachers. Literacy coaches, principals, and mentor/lead teachers will find much of value, as will educators involved in teacher learning groups. As brain-based education enters the national spotlight it becomes increasingly important for educators at all levels to become intelligent consumers of brain-based claims that have a potentially far-reaching impact on student learning.

Moments of Being Barrie Brett 2009-09-01 "Moments of Being" reveals true stories that have altered lives forever. Join celebrities, athletes, business and community leaders from all walks of life as they share their amazing twist of fate experiences.

Processing Reality John H. Buchanan 2022-10-27 In this book, John Buchanan takes us on a

journey through the early death of a parent, the ups and downs of addiction, the extraordinary revelations of psychedelic experiences, and the rewards of a sober and meaningful life. Reflecting on these experiences, the author identifies five pivotal events that drove him to seek a deeper understanding of the significance of extraordinary experiences, the nature of mind and the universe, the meaning of life, and most generally to ask: What is Reality? Drawing on his wide-ranging studies and explorations, Buchanan discusses the ideas that most influenced his search and led him to conclude that transpersonal psychology and process philosophy, especially as developed by Stanislav Grof and Alfred North Whitehead, offer the most satisfying answers. He presents in some detail the essence of Grof's and Whitehead's thought as it pertains to these basic questions about life and reality so that readers can appreciate these ideas for themselves. Buchanan argues that taken together process thought and transpersonal theory offer the kind of enspirited worldview capable of providing both the necessary inspiration and the intellectual understanding for confronting the great challenges facing our world.

My Moment Kristin Chenoweth 2022-05-24 A collection of essays accompanied by beautiful black-and-white photography from a diverse group of women on the moment they realized they were ready to fight for themselves—including Gloria Steinem, Lena Waithe, Joanna Gaines, Brandi Carlile, Beanie Feldstein, Cynthia Erivo, and Billie Jean King, among others. This powerful essay collection is a natural extension of the #MeToo movement, revealing the interior experience of women after they've inevitably been underestimated or hurt—the epiphany that the world is different than they thought it to be—and how they've used this knowledge to make change. In *My Moment*, Gloria Steinem tells the story of how a meeting with writer Terry Southern drew blood. Carol Burnett shares how CBS discouraged her from pursuing *The Carol Burnett Show*, because comedy variety shows were “a man's game.” Joanna Gaines reveals how coming to New York City as a young woman helped her embrace her Korean heritage after enduring racist bullying as a child. Author Maggie Smith details a career crossroads when her boss declined her request to work from home after the birth of her daughter, leading her to quit and never look back. Over and over again, when told “no” these women said “yes” to themselves. This hugely inspiring, beautiful book will move people of all ages and make them feel less alone. More than the sum of its parts, *My Moment* is also a handbook for young women (or any woman) making their way through the world.

An Early Breakthrough from Within Marcus Early 2013-08-09 “An Early Breakthrough from Within” will undoubtedly take you on a journey to examine your inner success as a whole! Moreover, this book will connect you to your gifts to unlock the future of your pathway in life. Your treasure of success equates to an inner breakthrough that reflects your gifts and abilities that should be released to impact the world around you. Life will bring its adversities, but there is something inside of each of us that rides the tides of life's contemporary challenges. Your breakthrough is near to take you to the next dimension in whatever capacities you are affiliated with. Whether you are a student, student athlete, or a Professional operative in diverse capacities, please know that you are not ordinary, but of great significance, and you too have something EXTRAORDINARY to offer the world - once your true discovery of yourself is revealed. As it often appears that your internal struggles are excruciatingly unswerving and times of your seasons are perplexing, this inspirational book will reduce and exemplify your internal comfort into your BREAKTHROUGH - which constitutes an unending discovery! Always know as I am often reminded by my mentor, “you don't have to be great to get started, but you've got to get started if you want to be great!” Cultivate a winner's mentality to get started and enjoy “Early” victories from life's battles in taking present actions in discovering who you are from your inner wilderness to GREATNESS! -Marcus Early

Brilliant Living Simon T. Bailey 2017-02-06 Are you tired of waiting, concerned about where things are going? Or are you simply ready to shift your life, career, or business into high gear? If so, you're ready for brilliant living. This inspirational guide will help you experience the amazing effects and reap the untold rewards of living a brilliant life. In this easily read book, author and

speaker, Simon T. Bailey, walks you through eight core areas of life that must be evaluated in order to improve your life. These key areas to growth and brilliance include: Spirituality Family Career/Business Emotions Mentality Health Social Life Finances The lessons contained within this book can be used to enhance one specific core area or several at the same time. Organized into small sections, the material can be read incrementally for greater impact. The readings will provide inspiration and practical steps that--when applied--will help you move from being an average performer to brilliant producer. Read, affirm, and act on these principles, and you will be launched into brilliant living today!

The Altar Within Juliet Diaz 2022-04-05 In her third and most important work, Juliet Diaz, the bestselling author of *Witchery*, offers an approach to Magic, spirituality, and healing like no other and takes readers through the deep work of decolonizing their spirituality. *The Altar Within: A Radical Devotional to Liberate the Divine Self* is a work of spiritual revolution for all peoples, offering them practices and rituals in the arts of self-worship, self-discovery, and self-activism. *The Altar Within* is like no other approach to Spirituality, breaking through the vicious cycles of harmful and toxic spiritual practices and beliefs. Diaz speaks for those victimized and enslaved by colonization and offers a new take on personal development based in the resounding plea of our ancestors to live our Divined lives, the ones they could not have for themselves. In the book, Diaz leads the reader through an exploration of: Self-Worship: Here, the reader comes to ritualize the experiences of self-compassion, mindfulness, self-acceptance, and radical self-honesty, creating practices that help them to see their Divinity and Altar within. Through these rites, readers will have a better understanding of what it means to decolonize their Spirituality, giving birth to new spiritual practices while honoring the experiences of our ancestors.

Dismantling the idea that Divinity must only exist from without, Diaz takes readers on a journey of powerful Self-Worship, connecting them into the Divinity that resides within all of us. Self-Discovery: In this section, Diaz helps the reader to discover their Divined lives, but in a way that most teachers haven't offered. As Diaz shares, it isn't through our achievements that we find our purpose but through understanding the Divine self. Here, Diaz leads readers through practices in self-love, self-patience, and self-forgiveness, helping them to experience the stillness and wholeness needed to hear the messages shared by the Divine. Self-Activism: Unlike traditional manifestation teachers, Diaz recognizes that manifestations are not brought forth by #goodvibesonly but by a real and committed process of activism, standing in our deep worth and sharing our humanity. In this section, Diaz offers a series of Devotionals to guide readers in the practice of Community Care, connecting the work not only with the Magic of manifestation but with our communities, our ancestors, and the Divine Self within. Pushing back on #lightandlove and #goodvibesonly, Diaz dismantles the wellness industry, releasing readers from the practice of spiritual bypassing into a far more powerful experience of self, healing, hope, and Spirit. This book is for anyone, including those who can't afford to buy all the tools, pay for the expensive memberships, people who have real-life issues, illnesses, and hardships. Through *The Altar Within*, Diaz brings the Magic to real life, acknowledging our humanness by connecting with our Spirit. *The Altar Within* will help readers create success in every area of their lives—from wealth, health, relationships, and personal development, to the nourishment of their relationship with the Divine self. As Diaz explains, when we can finally decolonize our spiritual beliefs, Divinity can be a super force in our lives, making us whole, stronger, wiser, and setting us on a path of transcendent activism. #magicalaf Bonus Gifts: Your copy of *The Altar Within* comes with a very special gift for readers. Look inside for a QR-Code that leads you to a magical space full of bonus content created just for the book. You can expect mini-courses, video tutorials, downloadable worksheets, journaling prompts, meditations, workbooks, and more!

30000 Days for Mr. William Kantshakes

Winners' Ways Adebola Alabi 2018-01-19 Winners Ways is a book that seeks to encourage and motivate readers so that they can achieve success in life. The book explores examples of real-life people that found their purpose in life and, in the process, also found success. It shares biblical passages to drive home the message that all humans are created uniquely and that God has blessed everyone with talents and ideas to make them live a successful life.

The One of His Kind in America Victor Gamboa 2022-05-13 In the 1990s, some events in history now are the reunification of Germany, foundation of WW Web, Gulf War, and the list goes on...others like the first McDonald's in Moscow, the first Pizza Hut in Moscow, Hubble telescope was launched into space... The year 1990 was my arrival to the United States of America. My country, Peru, was in a peak of a civil war against communists, as now Venezuela took that path. The American dream is for everyone; this is how I see it. This is why United States is always to take the lead. "Observe good faith and justice toward all nations, cultivate peace and harmony with all."—George Washington "The most perfect system of government is that which results in the greatest possible measure of happiness and the maximum social security."—Simon Bolivar "Go your way, sell whatever you have and give to the poor, and you will have treasure in heaven and come take up the cross, and follow me."—Jesus

Diamond Heart: The Freedom to Be A. H. Almaas 2000-09-05 Founder and spiritual teacher A. H. Almaas continues his study of the Diamond Approach to uncovering the many facets of our human potential We live in a world of mystery, wonder, and beauty. But most of us seldom participate in this real world, being focused rather on the parts that are mostly strife, suffering, or meaninglessness. The situation is basically due to our not realizing and living our full human potential. This potential can be actualized by the realization and development of human essence. The human essence is the part of us that is innate and real, and which can participate in the real world. Comprised of transcriptions of A. H. Almaas' talks to inner-work groups in Colorado and California, The Freedom to Be is the second installment in a five-volume series on the Diamond

Approach.

MY CHRISTIAN FAITH Christopher Goodwins

Beyond Emotional Intelligence S. Michele Nevarez 2021-11-08 Discover the hidden inner workings of your mind so you can break unhelpful habits and set yourself on the path to achieving your full potential. Beyond Emotional Intelligence reveals how our ingrained mental tendencies can either help or hinder us, depending on how conscious we are of their influence over our lives. Whether we seek to set and achieve our desired outcomes, improve our relationships, or live in alignment with what we value most, we need emotional intelligence (EI) to identify and overcome the mental patterns that may be keeping us stuck. In this book, you'll embark on 12 Self-Discoveries that will help you get to know yourself, so you can stop getting in your own way. You'll learn how, with practice, you can retrain your mind to develop new thought patterns that will serve you better as you work toward your life's aspirations. Each of the 12 Self-Discoveries offers unique clues and insights into who we are and why we do what we do. They function as an internal barometer for our triggers, emotional patterns, and mental habits. Ultimately, they provide a clear path to uncover and work with our habits of mind and patterns of action and reaction, giving us the possibility to exercise our own agency at key moments in our lives. Beyond Emotional Intelligence presents the 12 Self-Discoveries framework which provides you with a solid foundation from which you can begin to grow. Discover how your hidden thought patterns are influencing your life and your relationships with others Build Emotional Intelligence as you learn to recognize your reactions, perceptions, and value systems Use the highly regarded 12 Self-Discoveries model to identify your mental roadblocks and remove them with new habits of mind Learn proven methods for influencing your outcomes, de-cluttering your mind, and shift your own awareness This book will be your guide as you embark on a rigorous process of self-discovery as you learn to embrace your inner wisdom and take control of your results.

Your Moment Is Now Lu Ann Topovski 2020-04-17 These stories are shared authentically by people who trusted God through personal trials. We are all unique and interesting individual beings. We laugh, cry, get excited and get angry. Our range of emotions vary with circumstances, but it is often our faith in God which pulls us through events that are life changing or life threatening. As you read through each story, you might feel the emotion felt by the individuals sharing their story. It is because your soul will relate to their soul, and their life event. That means, it might be transforming you as you read a story in which you too can relate. You are about to join in on some personal journeys where God intervened. These individual situations have no other explanation except, God's hand of intervention. These amazing stories will change your perspective and maybe change your life. To God be the glory. With love, Lu Ann Topovski

Preparing for Your Moment to Lead Jacob Isaac 2023-02-14 Are you ready for your moment to lead? This fresh and insightful book will help you identify your innate leadership traits and naturally develop vital leadership skills. Through simple but effective steps, you will grow to take on richly satisfying roles in the working world and in the community, and become a leader who is trusted and respected by others. The book explores the natural, organic ways of recognizing and developing personal leadership traits in oneself. The first half of the book focuses on honest and reflective self-assessment for strengths and potential abilities to develop as a leader. The second half of the book deals with personal limitations by helping readers to use everyday abilities and situations that can help them to become good leaders who can be trusted. Anyone who believes they have the potential to lead others can benefit from this book. Instead of or in addition to earning an MBA at an expensive university, readers can learn the basic practices of effective managers who can identify a need and utilize (or locate) the resources needed to address it. Current leadership books on the market emphasize a series of personal qualities or professional duties that can prepare a person to lead. Some books are oriented to an empathic approach to leadership while others discuss strategies like competition, teamwork, or motivation. This book

encourages readers to take a personal and natural approach to evaluating their leadership interests, abilities, and goals. Instead of adopting others' ideas of leadership, the chapters herein teach readers how to become their own self-guide to become the leader they want to be. Based on the information provided in this book by the author's insight and experience along with contemporary business research, readers will receive information about the following:

- Essential leadership skills
- Self-assessment tools for recognizing leadership skills or potential
- Current research from leading industry publications
- The importance of character and the role of ethics in leadership
- Pitfalls to avoid when assuming a leadership role
- Becoming the leader that you want to be - naturally

The Moments That Define One's Life Lloyd N. Moffatt 2012-02-21 Each moment in your life comes with a purpose. Although the purpose at times is taken for granted, these moments, when they arise, bring forth a significant meaning for one's destiny and destination in life. For example, imagine how every person in this world has passed through a moment, full of promises and opportunities, but when that moment passes, he or she has no way of knowing if it will ever rise again. Apparently, whatever the moment may be, our lives are defined by the energy, faith, belief, and action into bringing each moment to life so that it can transcend toward greater moments, dreams, and endeavors. Each moment, by all means, is vital, and the mark that one has left in this world will be measured by what he or she has achieved in the time allowed. Thus, what you do with your life today will define your dreams and destiny as each significant moment rises and the time that is given to it is taken away. This book will help you

- Develop a greater sense of why each moment in life matters;
- Believe in yourself to accomplish any impossible dream or goal;
- Generate positive attitudes, faith, and unstoppable principles of action.

Making Love To Your Moments Shari Butler, PH D 2020-04-27

The Big Questions Lou Marinoff 2009-09-07 Professor Lou Marinoff's first book drew on the wisdom of the great philosophers to solve our everyday problems, launching a movement that restored philosophy to what it once was: useful in all walks of life. Now, in *The Big Questions*, he takes the concept to the next level, applying centuries of philosophy and great literature to answer central questions of modern existence. Urging us not to accept victimhood as the by-product of modern life, Professor Marinoff uses specific case studies from his counseling practice to show how wisdom from the great thinkers can help us define our own philosophy, and thereby reclaim our sense of well-being. He asks and answers questions that go to the heart of the human condition: How do we know what is right? How can we cope with change? Why can't we all get along? And, most centrally, how can we use the centuries of wisdom that have come before us to help us answer these questions and feel at ease in the world? Accessible, entertaining, and profoundly useful, *The Big Questions* mixes wisdom from the great thinkers with specific case studies to illuminate how a shift in perspective can truly be life changing. Lou Marinoff is the author of the international hit *Plato, Not Prozac!*, which has been published in twenty languages. A professor of philosophy at the City College of New York, Marinoff is also the founding president of the American Philosophical Practitioners Association. Praise for *Plato, Not Prozac!*: 'What exactly is philosophical practice? Marinoff calls it 'therapy for the sane.' In a nutshell, it's using the 2,500-year-old tradition of philosophy to solve everyday problems, like work, relationship and family issues. It's a return to what philosophy was meant to be - a guideline for a way of life.' -Salon.Com 'Plato, Not Prozac! looks to become the bible of the "philosophical counseling" movement.' -Philadelphia Inquirer Magazine 'The ancient think

Growing Your Library Career with Social Media Daniella Smith 2018-07-20 *Growing Your Career with Social Media* presents social media tools, current trends and professional development strategies to help busy librarians remain up-to-date. This title offers advice from librarians on how to use social media for career development and continuing education. Advice is based on accumulated experience from professionals who have incorporated social media into their professional lives. The book includes interviews and suggests ways librarians can use social media as a tool for self-promotion. It includes tables of social media tools and their potential

uses, and also provides resources, lists, organizations and information on librarians currently active in social media. Gives strategies, resources, and social media tools for career advancement in librarianship Presents interviews from experienced librarians on how best to use social media Offers real-world experience of great use to practicing librarians Incorporates original research unique to this book, which librarians can use Includes practical resources so librarians can start using social media tools immediately

Time to Get Serious Finding Your Moment of Clarity Michael Bart Mathews 2019-03-13 *Finding Your Moment of Clarity* is about taking you an introspective, self-actualization, mirror image reflection into your current way of thinking, feeling, and most importantly, your actions towards achievement. Discovering your power within by taking control of your inner guiding system for positive direction and transformation while you seek to obtain "that special something" in life that you want to achieve. Are you clear on what your purpose is in life? Your purpose or moment of mental clarity can also be identified as being your "heart's burning desire." Your WHY [reason or purpose - goal or dream] and vision, are the most important factors on your success journey! Your WHY [reason or purpose - goal or dream] can be defined within the everyday thoughts that you think, the words the you speak, along with the everyday actions that you take, and the people that you associate with. Your success is attributed to how you think. After reading *Finding Your Moment of Clarity*, you will have a clear vision, clearly defined goals, realistic dreams, and a formattable action plan attached with dates of accomplishment for your success. In order to achieve it, you first must believe it.

Own The Moment Carl Lentz 2017-10-31 This engaging and inspirational book by Carl Lentz, the rock star pastor of Hillsong NYC, shows us the way toward a more connected, spiritually-grounded, and fulfilled life. When you think of a Christian pastor, you probably don't envision a tattooed thirty-something who wears a motorcycle jacket, listens to hip-hop music, references *The Walking Dead* and Black Lives Matter in his sermons, and every Sunday draws a standing-room only crowd to a venue normally used for rock concerts—in godless New York City, no less. But then you clearly have never met Carl Lentz. As lead pastor of the first United States branch of global megachurch Hillsong, the former college basketball player is on a mission to make Christianity accessible in the 21st century. In *Own The Moment*, he shares the unlikely and inspiring story of how he went from being an average teenager who couldn't care less about church to leading one of the country's fastest-growing congregations—how one day he is trying to convince a Virginia Beach 7-Eleven clerk to attend his service, and just a few years later he is baptizing a global music icon in an NBA player's Manhattan bathtub. Amid such candid personal tales, Lentz also offers illuminating readings of Bible passages and practical tips on how to live as a person of faith in an increasingly materialistic world. How do you maintain your values—and pass them onto your children—in a society that worships money and sex and fame? How do you embrace your flaws in this Instagram era that exalts the appearance of perfection? How do you forget about "living the dream" and learn to embrace the beauty of your reality? These are just a few of the many important questions Lentz answers in *Own The Moment*—a powerful book that redefines not just Christianity but spirituality as a whole.

Pages from the Past Carolyn Kitch 2006-05-18 American popular magazines play a role in our culture similar to that of public historians, Carolyn Kitch contends. Drawing on evidence from the pages of more than sixty magazines, including *Newsweek*, *Rolling Stone*, *Black Enterprise*, *Ladies' Home Journal*, and *Reader's Digest*, Kitch examines the role of journalism in creating collective memory and identity for Americans. Editorial perspectives, visual and narrative content, and the tangibility and keepsake qualities of magazines make them key repositories of American memory, Kitch argues. She discusses anniversary celebrations that assess the passage of time; the role of race in counter-memory; the lasting meaning of celebrities who are mourned in the media; cyclical representations of generational identity, from the Greatest Generation to Generation X; and anticipated memory in commemoration after crisis events such as those of September 11, 2001. Bringing a critically neglected form of journalism to the forefront, Kitch

demonstrates that magazines play a special role in creating narratives of the past that reflect and inform who we are now.

Moments of Being Barrie Brett 2009-09-01 True stories from Brendon Burchard, F. Murray Abraham, and other high-profile contributors on the turning points that changed their lives. Can one moment, one brief encounter, change the course of the rest of your life? If so, how will you recognize that moment? Will you let it pass you by? Will you let it defeat you? Or will you allow that moment, that experience, to help shape who you are and who you might become? Moments of Being reveals true stories that altered lives forever. Join celebrities, athletes, business and community leaders, and men and women from all walks of life as they share their amazing “twist of fate” tales. These are stories of courage, destiny, reunions, love, sacrifice, dreams, and the fears and triumphs that are an integral part of the human experience. More than that, they illustrate that, by recognizing and acting on a single, pivotal moment, a person can change his or her life forever. “A fabulous wake-up call . . . a must read.” —Donna LeBlanc, author of The Passion Principle

Kidnapped by a Client Sharon R. Muse 2020-01-14 “He promised to kill me when he got out. I believed him. If I wanted justice, I had to fight both him and the courts...maybe kill him first. If I didn’t do something, I was going to die.” This is not a manufactured dialogue from a thriller but the words of attorney Sharon Muse. They came after she survived an attempted kidnapping, rape, and murder at the hands of Larry Morrison, a former client. On April 7, 2006, Muse miraculously escaped from the sociopathic Morrison, only to find that the threat to her life was just beginning. Ineptitude in the justice system threatened to release Morrison and allow him the opportunity to finish the job, which he adamantly pledged to do. Muse would have to fight at every step to ensure her safety. Muse would act as her own advocate, investigator, legal counsel, and bodyguard in the years following the event. Kidnapped by a Client covers the brutal kidnapping, two trials, two appeals, procedural errors galore, one Supreme Court reversal, and even Muse’s intricate plan to murder Morrison before he could get to her. Muse would not ultimately execute that plan, and she would emerge victorious in the legal battle thanks to her faith and her own determination and legal acumen. But her safety is not ensured: Morrison is up for parole in 2026. Muse regularly monitors his status. Muse recounts her stranger-than-fiction story in Kidnapped by a Client. Muse analyzes the failures of the legal system, the mistakes she made, the steps she took to protect herself, and how she has coped with trauma. Readers will find not only a compelling narrative, but also insight into how to protect oneself and ensure one’s own safety and well-being.

Own Your Present Candace Good 2020-08-25 Mindfulness for Busy People Everyday demands pull us in all different directions. Our lives can feel scattered, and we often find ourselves reacting to stress rather than pausing to appreciate the moment. We rush around to keep up with our personal and professional to-do lists, yet we still feel defeated, like we’re missing out on something. There’s a lot working against us in this scattered world, but a mindfulness practice helps us reset, protect our energy, and move forward with a more peaceful heart. In Own Your Present, Dr. Candace Good provides you with a path to a more mindful life, helping you reconnect your body and mind with your surroundings. She shares engaging and deeply personal stories of her own struggles with anxiety to show you what it looks like to move beyond your past and inner critic to accept what is, imperfections and all. Dr. Good offers practical advice, therapy techniques, and activities as a map to help you begin or deepen your mindfulness practice. Owning your present, you’ll come to learn, is not only noticing a moment or a gift before you but also committing to a journey to rediscover your authentic self, so you can show up when it counts. Regardless of what is happening in the world, you have what it takes to live in the moment!

Live with less stress, less guilt, and more freedom to be yourself. Utilizing the lessons in this book, you will possess a clearly defined set of core values, a four-step framework for making decisions without regret, and the tools you need to build your brand to last beyond a lifetime.

What Have You Done With Your Moment Richard Bootle 2022-12-28 A person can have one traumatic experience in life, and that experience can determine the course of the rest of his or her life. One experience gave the author the idea for this manuscript. When the author saw people demonstrating at the Michigan State Capitol during the pandemic when the governor ordered lockdowns, that is when he asked the question, "Is this what they will be telling their grandchildren and great-grandchildren thirty or forty years from now?" Is this what they did with that moment in time? Then he looked at famous people who went on long before us, and he asked them what they have done with their moment. Some great entertainers, some great sporting figures, some great African American inventors, and current famous politicians. Then he concluded that our lives are filled with moments. This author concludes that your moment is your life. However, you don't go up to someone and ask them what they have done with their life because people might not be satisfied with how their life turned out. This question causes them

to rationalize. Ask them what they have done with their moment, and they will talk to you all day.
