**Straphanger** Taras Grescoe 2012-04-24 Taras Grescoe rides the rails all over the world and makes an elegant and impassioned case for the imminent end of car culture and the coming transportation revolution "I am proud to call myself a straphanger," writes Taras Grescoe. The perception of public transportation in America is often unflattering—a squalid last resort for those with one too many drunk-driving charges, too poor to afford insurance, or too decrepit to get behind the wheel of a car. Indeed, a century of auto-centric culture and city planning has left most of the country with public transportation that is underfunded, ill maintained, and ill conceived. But as the demand for petroleum is fast outpacing the world's supply, a revolution in transportation is under way. Grescoe explores the ascendance of the straphangers—the growing number of people who rely on public transportation to go about the business of their daily lives. On a journey that takes him around the world—from New York to Moscow, Paris, Copenhagen, Tokyo, Bogotá, Phoenix, Portland, Vancouver, and Philadelphia—Grescoe profiles public transportation here and abroad, highlighting the people and ideas that may help undo the damage that car-centric planning has done to our cities and create convenient, affordable, and sustainable urban transportation—and better city living—for all.

In the fall of 2007, Jende can hardly believe his luck when he lands a job as a chauffeur for Clark Edwards, a senior executive at Lehman Brothers. Clark demands punctuality, discretion, and loyalty—and Jende is eager to please. Clark's wife, Cindy, even offers Neni temporary work at the Edwardses' summer home in the Hamptons. **Ragtime** E. L. Doctorow 2012-09-04 Welcome to America at the turn of the twentieth century, where the rhythms of ragtime set the beat. Harry Houdini astonishes audiences with magical feats of escape, the mighty J. P. Morgan dominates the financial world and Henry Ford manufactures cars by making men into machines. Emma Goldman preaches free love and feminism, while ex-chorus girl Evelyn Nesbitt inspires a mad millionaire to murder the architect Stanford White. In this stunningly original chronicle of an age, such real-life characters intermingle with three remarkable families, one black, one Jewish and one prosperous WASP, to create a dazzling literary mosaic that brings to life an era of dire poverty, fabulous wealth, and incredible change - in short, the era of ragtime.

**Tuxedo Park Past: Law And Disorder** Stuart J. McGregor 2019-10-11 Pierre Lorillard was a member of the well-known wealthy family who made a fortune in the tobacco business in the 18th century. Tuxedo Park was a planned recreational community created by Pierre Lorillard III approximately 38 miles north of New York City in 1886. This very private community was populated by the wealthy and social set of the Gilded Age. The jacket named the "Tuxedo" originated at The Tuxedo Club. What started as a private hunting and recreational preserve with a clubhouse and wood cottages morphed into a gated, fenced with barbed wire, exclusive colony of grand estates for the rich and social elite. It was another place to play between their mansions in New York, summers in Newport and winter months in Palm Beach. Security and privacy together with money and social status were the cornerstones of this gated and fenced community. Originally, a retreat for the spring and fall months with a New Year's tradition, Tuxedo Park soon became a year-round residence for bankers, financial leaders, and captains of the industry during the Gilded Age and their families from the 1880's through the depression. This presentation touches on just one of those families and life in the early decades of the 20th century. While the country watched and read about this small community and their aristocratic lifestyle, they also learned the residents behind the iron gates were suffering the same insecurities of many others in the country due to

the industrialization and population growth that spread from the great cities of the new growing America.

**An Invisible Thread** Laura Schroff 2012-08-07 A cloth bag containing eight copies of the title, that may also include a folder.

**The Goodriches** Dane Starbuck 2001 When local author Dane Starbuck set out several years ago to write the biography of Pierre Goodrich, scion of one of Indiana's most prominent twentieth-century families, he soon discovered that it was impossible to really understand Pierre Goodrich without also closely examining his family. Starbuck's years of research culminated in The Goodriches: An American Family, now available from Liberty Fund. This work is a revealing window into the founding ideals of both Indiana and our country, and how our founders meant these ideals to be lived. The Goodriches: An American Family begins with the birth of James P. Goodrich in 1864 and continues through the death of his son Pierre F. Goodrich in 1973. As the story of two fascinating and fiercely individualistic men, it is compelling reading, but as author Dane Starbuck says in the preface, "the later chapters of this book are as much a social commentary on American life in the twentieth century as parts of a biography of two accomplished men." In his foreword to The Goodriches: An American Family, James M. Buchanan, Nobel laureate in economics and celebrated Liberty Fund author, says, "The Indiana Goodriches are an American family whose leading members, James and Pierre, helped to shape the American century. . . . This biography makes us recognize what is missing from the millennial setting in which we find ourselves. We have lost the 'idea of America, ' both as a motivation for action and as a source of emotional self-confidence. We have lost that which the Goodriches possessed." What did the Goodrich family "possess" which made them so unique? A belief in the power of knowledge, the importance of education, and a strong work ethic combined to imbue the Goodrich family with a distinctive sense of civic duty. James Goodrich served as governor of Indiana from 1917 to 1921 and as adviser to Presidents Warren G. Harding, Calvin Coolidge, and Herbert Hoover. During his eulogy of James Goodrich, the Reverend Gustav Papperman explained, "The Governor felt that he had been given talents that were a trust, that he was to administer them faithfully. . . ." According to author Dane Starbuck, "Education was a large part of the Goodriches' work ethos. . . . The family viewed education as a process by virtue of which the individual remained informed, made better business decisions, learned the importance of citizenship, and was given an opportunity for individual self-improvement. Therefore, work and education became the centerpieces of the Goodrich family's ethical and practical life." In later years, Pierre Goodrich, successful businessman and entrepreneur, would set aside a portion of his estate to found Liberty Fund because he believed that the principles of liberty on which our nation was founded need to be constantly kept before the public.

**Mother of Peace** Hak Ja Han Moon 2020-07 Discover the untold story of Hak Ja Han Moon, the North Korean village girl who is now known to millions as the Mother of Peace. Her heart-wrenching story reveals details of a war-torn childhood and trials of faith as she and her late husband, Rev. Sun Myung Moon, built a vast and still-growing international movement capable of fulfilling God's will for peace in the 21st century. A major milestone of her life, described in never-told-before detail, was her marriage in 1960, at age 17, to the charismatic Rev. Dr. Sun Myung Moon. For the next 52 years, she joined him in the daunting task of building a global interfaith movement to fulfill God's will for peace in the 21st century. Mother Moon's journey as a religious woman leader is breathtaking: Born in Japanese-occupied Korea in 1943, she spent her early life in nature so she could commune with God. War forced her to flee south with her mother and grandmother; they crossed the Han River Bridge minutes before it was blown up. Later, she walked and worked side-by-side with Father Moon, one of history's most energetic and visionary men. They visited every corner of the earth and, despite relentless persecution, met with world leaders, including Mikhail Gorbachev and Kim Il Sung, to bring God's message for them. During this time, she bore 14 children and buried four. She stood with Father Moon for hours as they officiated at Marriage Blessing Ceremonies for hundreds of thousands of couples. Together, they launched hundreds of organizations and businesses to serve youth, family and peacemaking. Since Father Moon's passing in 2012, Mother Moon has shouldered the leadership of their still-growing movement. She has led "Peace Starts With Me" rallies in six continents and plans to bring Blessing Ceremonies to all people.

**Midnight in the Garden of Good and Evil** John Berendt 2010-05-12 NATIONAL BESTSELLER • "Elegant and wicked... [This] might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime." –The New York Times Book Review Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt's sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.

**Natural** Alan Levinovitz 2020-04-07 Illuminates the far-reaching harms of believing that natural means "good," from misinformation about health choices to justifications for sexism, racism, and flawed economic policies. People love what's natural: it's the best way to eat, the best way to parent, even the best way to act—naturally, just as nature intended. Appeals to the wisdom of nature are among the most powerful arguments in the history of human thought. Yet Nature (with a capital N) and natural goodness are not objective or scientific. In this groundbreaking book, scholar of religion Alan Levinovitz demonstrates that these beliefs are actually religious and highlights the many dangers of substituting simple myths for complicated realities. It may not seem like a problem when it comes to paying a premium for organic food. But what about condemnations of "unnatural" sexual activity? The guilt that attends not having a "natural" birth? Economic deregulation justified by the inherent goodness of "natural" markets? In *Natural*, readers embark on an epic journey, from Peruvian rainforests to the backcountry in Yellowstone Park, from a "natural" bodybuilding competition to a "natural" cancer-curing clinic. The result is an essential new perspective that shatters faith in Nature's goodness and points to a better alternative. We can love nature without worshipping it, and we can work toward a better world with humility and dialogue rather than taboos and zealotry.

**This Charming Man** C. K. McDonnell 2022-02-17 Vampires do not exist. Everyone knows this. So it's particularly annoying when they start popping up around Manchester . . . Nobody is pleased about it. Not the Founders, the secret organisation for whom vampires were invented as an allegory, nor the Folk, the magical people hidden in plain sight who only want a quiet life. And definitely not the people of Manchester, because there is nothing more irksome than being murdered by an allegory run amok. Somebody needs to sort this out fast before all Hell really breaks loose - step forward the staff of *The Stranger Times*. It's not like they don't have enough to be dealing with. Assistant Editor Hannah has come back from getting messily divorced to discover that someone is trying to kidnap a member of their staff and while editor Vincent Banecroft would be delighted to see the back of any of his team, he doesn't like people touching his stuff - it's the principle of the thing. Throw in a precarious plumbing situation, gambling debts, an entirely new way of swearing, and a certain detective inspector with what could be kindly referred to as 'a lot of baggage' and it all adds up to another hectic week in the life of the newspaper committed to reporting the truth that nobody else will touch. This *Charming Man* is the second book in the critically acclaimed *The Stranger Times* series. 'A gag-filled romp . . . in the spirit of Terry Pratchett.' The Times 'Great characters, a jet-propelled plot, and a winning premise.' Guardian 'Fresh and genuinely funny.' SFX

**Saturday Night** Doug Hill 2011-12-15 *Saturday Night* is the intimate history of the original *Saturday Night Live*, from its beginnings as an outlaw program produced by an unruly band of renegades from the comedy underground to a TV institution that made stars of John Belushi, Bill Murray, Chevy Chase, Gilda Radner, Jane Curtin, Laraine Newman, Garrett Morris, Joe Piscopo and Eddie Murphy. This is the book that revealed to the world what really happened behind the scenes during the first ten years of this groundbreaking program, from the battles SNL fought with NBC to the battles fought within the show itself. It's all here: The love affairs, betrayals, rivalries, drug problems, overnight successes, and bitter failures, mixed with the creation of some of the most outrageous and original comedy ever. "It reads like a thriller," said the Associated Press, "and may be the best book ever written about television." Available for the first time in ebook format, this edition features nearly fifty photographs of cast, crew and sketches.
