Albion’s Seed David Hackett Fischer 1991-03-14 This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion’s Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

How India Clothed the World 2009-07-31 Drawing on new research on textile trade and production in the regions that depended on the Indian Ocean, the book contributes to a new understanding of the role that Indian cloth played in the making of the modern world economy.

The Famines of the World: Past and Present ... Cornelius Walford 1879

Slavery and the British Country House Madge Dresser 2013 The British country house has long been regarded as the jewel in the nation’s heritage crown. But the country house is also an expression of wealth and power, and as scholars reconsider the nation’s colonial past, new questions are being posed about these great houses and their links to Atlantic slavery.This book, authored by a range of academics and heritage professionals, grew out of a 2009 conference on ‘Slavery and the British Country house: mapping the current research’ organised by English Heritage in partnership with the University of the West of England, the National Trust and the Economic History Society. It asks what links might be established between the wealth derived from slavery and the British country house and what implications such links should have for the way such properties are represented to the public today.Lavishly illustrated and based on the latest scholarship, this wide-ranging and innovative volume provides in-depth examinations of individual houses, regional studies and critical reconsiderations of existing heritage sites, including two studies specially commissioned by English Heritage and one sponsored by the National Trust.

In Five Years Rebecca Serie 2021-03-02 Book Club Favorites Reader’s Guide on unnumbered pages.

New York Magazine 1992-05-11 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine’s consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

The Cottage on Pumpkin and Vine Kate Angell 2016-08-30 A New England B&B is full of old Halloween traditions and the spirit of new romance in “this wonderful, well-written collection” (Publishers Weekly). There’s no better place to celebrate Halloween than Moonbright, Maine, where the crisp night air carries the scent of cider and donuts, and everyone gathers for the annual costume party at the cottage on Pumpkin and Vine. Guests return to the picturesque B & B year after year to snuggle up in its cozy rooms, explore the quiet, tree-lined streets and enjoy all the spooky fun of the holiday. But local legend whispers that it’s also a place where wishes have a strange way of coming true. For three unsuspecting revelers, it’s going to be an enchanted weekend of candy corn kisses and midnight black kittens, along with some real Halloween surprises—the kind that make your heart skip a beat—for many more celebrations to come. . . . “This diverse trio of stories bring three couples to love with a charming, slightly sexy Halloween flair. . . . Sassy, funny, and dusted with magic.” —Library Journal

That Greece Might Still be Free William St. Clair 2008 When in 1821, the Greeks rose in violent revolution against the rule of the Ottoman Turks, waves of sympathy spread across Western Europe and the United States. More than a thousand volunteers set out to fight for the cause. The Philhellenes, whether they set out to recreate the Athens of Pericles, start a new crusade, or make money out of a war, all felt that Greece had unique claim on the sympathy of the world. As Byron wrote, ‘I dreamed that Greece might Still be Free’; and he died at Missolonghi trying to translate that dream into reality. William St Clair’s meticulously researched and highly readable account of their aspirations and experiences was hailed as definitive when it was first published. Long out of print, it remains the standard account of the Philhellenic movement and essential reading for any students of the Greek War of Independence, Byron, and European Romanticism. Its relevance to more modern ethnic and religious conflicts is becoming increasingly appreciated by scholars worldwide. This new and revised edition includes a new Introduction by Roderick Beaton, an updated Bibliography and many new illustrations.

New York Magazine 1992-05-11 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine’s consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while

celebrating New York as both a place and an idea.

Spaces of Identity David Morley 2002-09-11 We are living through a time when old identities - nation, culture and gender are melting down. Spaces of Identity examines the ways in which collective cultural identities are being reshaped under conditions of a post-modern geography and a communications environment of cable and satellite broadcasting. To address current problems of identity, the authors look at contemporary politics between Europe and its most significant others: America; Islam and the Orient. They show that it’s against these places that Europe’s own identity has been and is now being defined. A stimulating account of the complex and contradictory nature of contemporary cultural identities.

Undoing Gender Judith Butler 2004-10-22 Undoing Gender constitutes Judith Butler’s recent reflections on gender and sexuality, focusing on new kinship, psychoanalysis and the incest taboo, transgender, intersex, diagnostic categories, social violence, and the tasks of social transformation. In terms that draw from feminist and queer theory, Butler considers the norms that govern—and fail to govern—gender and sexuality as they relate to the constraints on recognizable personhood. The book constitutes a reconsideration of her earlier view on gender performativity from Gender Trouble. In this work, the critique of gender norms is clearly situated within the framework of human persistence and survival. And to “do” one’s gender in certain ways sometimes implies “undoing” dominant notions of personhood. She writes about the “New Gender Politics” that has emerged in recent years, a combination of movements concerned with transgender, transsexuality, intersex, and their complex relations to feminist and queer theory.

The Blue Bistro Elin Hilderbrand 2010-05-25 Elin Hilderbrand, author of the enchanting Summer People and The Beach Club, invites you to experience the perfect getaway with her sparkling new novel. Adrienne Dealey has spent the past six years working for hotels in exotic resort towns. This summer she has decided to make Nantucket home. Left flat broke by her ex-boyfriend, she is desperate to earn some fast money. When the desirable Thatcher Smith, owner of Nantucket’s hottest restaurant, is the only one to offer her a job, she wonders if she can get by with no restaurant experience. Thatcher gives Adrienne a crash course in the business...and they share an instant attraction. But there is a mystery about their situation: what is it about Fiona, the Blue Bistro’s chef, that captures Thatcher’s attention again and again? And why does such a successful restaurant seem to be in its final season before closing its doors for good? Despite her uncertainty, Adrienne must decide whether to open her heart for the first time, or move on, as she always does. Infused with intimate Nantucket detail and filled with the warmth of passion and the breeze of doubt, The Blue Bistro is perfect summer reading.

The Condition of the Working-Class in England in 1844 Frederick Engels 2019-09-25 Reproduction of the original: The Condition of the Working-Class in England in 1844 by Frederick Engels

The Bureaucracy of Beauty Arindam Dutta 2007 Publisher description

Inherent Vice Thomas Pynchon 2012-06-13 Part noir, part psychedelic romp, all Thomas Pynchon—Private eye Doc Sportello surfaces, occasionally, out of a marijuana haze to watch the end of an era In this lively yarn, Thomas Pynchon, working in an unaccustomed genre that is at once exciting and accessible, provides a classic illustration of the principle that if you can remember the sixties, you weren’t there. It’s been a while since Doc Sportello has seen his ex- girlfriend. Suddenly she shows up with a story about a plot to kidnap a billionaire land developer whom she just happens to be in love with. It’s the tail end of the psychedelic sixties in L.A., and Doc knows that “love” is another of those words going around at the moment, like “trip” or “groovy,” except that this one usually leads to trouble. Undeniably one of the most influential writers at work today, Pynchon has penned another unforgettable book.

The Examiner 1859

Constituent Imagination Stephen Shukaitis 2007 From the ivory tower to the barricades! Radical intellectuals explore the relationship between research and resistance.

Good In Bed Jennifer Weiner 2008-09-04 From the bestselling author of In Her Shoes, All Fall Down and the forthcoming novel Who Do You Love, Good in Bed is a funny and tender story full of heart. Cannie Shapiro never wanted to be famous. The smart, sharp, plus-sized reporter was perfectly happy writing about other people’s lives for her local newspaper. And for the past twenty-eight years, things have been tripping along nicely for Cannie. Sure, her mother has come charging out of the closet, and her father has long since dropped out of her world. But she loves her job, her friends, her dog and her life. She loves her apartment and her commodious, quilt-lined bed. She has made a tenuous peace with her body and she even felt okay about ending her relationship with her boyfriend Bruce. But now this... 'Loving a larger woman is an act of courage in our world,' Bruce has written in a national woman’s magazine. And Cannie - who never knew that Bruce saw her as a larger woman, or thought that loving her was an act of courage - is plunged into misery, and the most amazing year of her life.

Hatchet Gary Paulsen 2017-10-03 Celebrate the thirtieth anniversary of the Newbery Honor–winning survival novel Hatchet with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. Hatchet has also been nominated as one of America’s best-loved novels by PBS’s The Great American Read. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother’s infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When

the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.

Mercy Falls William Kent Krueger 2009-08-11 Includes excerpt of Heaven's Keep by William Kent Krueger (p.[435-443]).

New York Magazine 1987-09-07 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Capital Karl Marx 2006-05-25 The "forgotten" second volume of Capital, Marx's world-shaking analysis of economics, politics, and history, contains the vital discussion of commodity, the cornerstone to Marx's theories.

Sixteenth Summer Michelle Dalton 2011-05-03 Anna is dreading another tourist-filled summer on Dune Island that follows the same routine: beach, ice cream, friends, repeat. That is, until she locks eyes with Will, the gorgeous and sweet guy visiting from New York. Soon, her summer is filled with flirtatious fun as Anna falls head over heels in love. But with every perfect afternoon, sweet kiss, and walk on the beach, Anna can't ignore that the days are quickly growing shorter, and Will has to leave at the end of August. Anna's never felt anything like this before, but when forever isn't even a possibility, one summer doesn't feel worth the promise of her heart breaking...

Dressing Modern Frenchwomen Mary Lynn Stewart 2020-03-03 At a glance, high fashion and feminism seem unlikely partners. Between the First and Second World Wars, however, these forces combined femininity and modernity to create the new, modern French woman. In this engaging study, Mary Lynn Stewart reveals the fashion industry as an integral part of women's transition into modernity. Analyzing what female columnists in fashion magazines and popular women novelists wrote about the "new silhouette," Stewart shows how bourgeois women feminized the more severe, masculine images that elite designers promoted to create a hybrid form of modern that both emancipated women and celebrated their femininity. She delves into the intricacies of marketing the new clothes and the new image to middle-class women and examines the nuts and bolts of a changing industry—including textile production, relationships between suppliers and department stores, and privacy and intellectual property issues surrounding ready-to-wear couture designs. Dressing Modern Frenchwomen draws from thousands of magazine covers, advertisements, fashion columns, and features to uncover and untangle the fascinating relationships among the fashion industry, the development of modern marketing techniques, and the evolution of the modern woman as active, mobile, and liberated.

New York Magazine 1985-06-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

It includes four complete practice exams, a real estate refresher course and complete math review, as well as a real estate terms glossary with over 900 terms, and expert test-prep tips.

Faithful Place Tana French 2010-07-13 From Tana French, author of the forthcoming novel The Searcher, “the most important crime novelist to emerge in the past 10 years” (The Washington Post), the bestseller called “the most stunning of her books” (The New York Times) and a finalist for the Edgar Award. Back in 1985, Frank Mackey was a nineteen-year-old kid with a dream of escaping his family's cramped flat on Faithful Place and running away to

London with his girl, Rosie Daly. But on the night they were supposed to leave, Rosie didn't show. Frank took it for granted that she'd dumped him—probably because of his alcoholic father, nutcase mother, and generally dysfunctional family. He never went home again. Neither did Rosie. Then, twenty-two years later, Rosie's suitcase shows up behind a fireplace in a derelict house on Faithful Place, and Frank, now a detective in the Dublin Undercover squad, is going home whether he likes it or not.

Playing the Waves Jan Simons 2007 Dogma 95, the avant-garde filmmaking movement founded by the Danish director Lars von Trier and three of his fellow directors, was launched in 1995 at an elite cinema conference in Paris—when von Trier was called upon to speak about the future of film but instead showered the audience with pamphlets announcing the new movement and its manifesto. A refreshingly original critical commentary on the director and his practice, Playing the Waves is a paramount addition to one of new media's most provocative genres: games and gaming. Playing the Waves cleverly puns on the title of one of von Trier's most famous features and argues that Dogma 95, like much of the director's low-budget realist productions, is a game that takes cinema beyond the traditional confines of film aesthetics and dramatic rules. Simons articulates the ways in which von Trier redefines the practice of filmmaking as a rule-bound activity, and stipulates the forms and structures of games von Trier brings to bear on his films, as well as the sobering lessons he draws from economic and evolutionary game theory.

Much like the director's films, this fascinating volume takes the traditional point of view of film theory and film aesthetics to the next level and demonstrates we have much to learn from the perspective of game studies and game theory.

History of Windham County, Connecticut: 1600-1760 Ellen Douglas Larned 1874

Ex-Patriots Peter Clines 2013-04-23 The second novel in Peter Clines' bestselling Ex series. It's been two years since the plague of ex-humans decimated mankind. Two years since the superheroes St. George, Cerberus, Zzzap, and Stealth gathered Los Angeles's survivors behind the walls of their fortress, the Mount. Since then, the heroes have been fighting to give the Mount's citizens hope, and something like a real life. But now supplies are growing scarce, the zombies are pressing in . . . and the heroes are wondering how much longer they can hold out. Then hope arrives in the form of a surviving US Army battalion—and not just any battalion. The men and women of the Army's Project Krypton survived the outbreak because they are super-soldiers, created before mankind's fall to be better, stronger, faster than normal humans—and their secure base in Arizona beckons as a much needed refuge for the beleaguered heroes and their charges. But a dark secret lies at the heart of Project Krypton, and those behind it wield an awesome and terrifying power.

Cross-connection Control Manual 1988

Fashion Marketing Tony Hines 2007-02-07 A collection of international contributions from renowned academics and practitioners from the US, UK, China, the second edition of Fashion Marketing has been completely updated, revised and expanded to reflect the major changes in the fashion industry since 2001 and covers all of the key themes and issues of the area. Trap Door Reina Gossett 2017-12-15 Essays, conversations, and archival investigations explore the paradoxes, limitations, and social ramifications of trans representation within contemporary culture. The increasing representation of trans identity throughout art and popular culture in recent years has been nothing if not paradoxical. Trans visibility is touted as a sign of a liberal society, but it has coincided with a political moment marked both by heightened violence against trans people (especially trans women of color) and by the suppression of trans rights under civil law. Trap Door grapples with these contradictions. The essays, conversations, and dossiers gathered here delve into themes as wide-ranging yet interconnected as beauty, performativity, activism, and police brutality. Collectively, they attest to how trans people are frequently offered “doors”—entrances to visibility and recognition—that are actually “traps,” accommodating trans bodies and communities only insofar as they cooperate with dominant norms. The volume speculates about a third term, perhaps uniquely suited for our time: the trapdoor, neither entrance nor exit, but a secret passageway leading elsewhere. Trap Door begins a conversation that extends through and beyond trans culture, showing how these issues have relevance for anyone invested in the ethics of visual culture.

Ulysses

Out Of Control Kevin Kelly 2009-04-30 Out of Control chronicles the dawn of a new era in which the machines and systems that drive our economy are so complex and autonomous as to be indistinguishable from living things.

Farming Systems in the Tropics Hans Ruthenberg 1976 Some general characteristics of farming in a tropical environment; Shifting cultivation systems; Fallow systems; Ley systems; Systems with permanent upland cultivation; Systems with arable irrigation farming; Systems with perennial crops; Grazing systems; General tendencies in the development of tropical farm systems.

Silver Thaw Catherine Anderson 2015-01-06 From the New York Times bestselling author of the Coulter and Harrigan Family series comes the first novel in a compelling contemporary romance series about unexpected love, second chances, and hope reborn... After years of living in fear of her husband, Amanda Banning has left him and moved to Mystic Creek, Oregon, for a fresh start. But she's having a tough time providing for herself and her six-year-old daughter. Writing her secret yearnings on slips of paper and sending them into the wind helps her cling to the hope that things will get better...and that she can find happiness again. Jeb Sterling has no idea that the handwritten messages he finds scattered across his land are the first hints that his life is about to change. Nor does he understand why he feels so compelled to help Amanda Banning and her daughter when a cold snap leaves them temporarily homeless. Maybe he's inspired by Amanda's courage or perhaps by her beautiful brown eyes. Either way, the man who once renounced love suddenly finds himself willing to do anything for the pair. Amanda seems to have given up on her dreams, but Jeb refuses to quit until he makes her every wish come true...

Compact Equipment John Deere Publishing 1991-01-01 Tells how clutches & transmissions work - gear, friction, & hydrostatic. Gives basics of service & repair of major types of drives, transmission, transaxles, & clutches used in compact equipment. Includes troubleshooting guides. It provides the reader with a list of skills & knowledge that should be learned with each chapter. CONTENTS: Basic principles, clutches, mechanical transmissions, hydrostatic transmissions, belt & chain drives, differentials, final drives, power take-offs, service & maintenance & troubleshooting.

Capital Karl Marx 1990 Records Marx's critical study of capitalism as an economic system and briefly evaluates his handling of the subject
