**Twelve Years A Slave, Illustrated Edition** Solomon Northup 2014-04-08 Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. Twelve Years a Slave is Northup’s moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe’s Uncle Tom’s Cabin, Northup’s story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

***Fashionable Technology*** Sabine Seymour 2008-05-19 The interplay of electronic textiles and wearable technology, wearables for short, and fashion, design and science is a highly promising and topical subject. Offered here is a compact survey of the theory involved and an explanation of the role technology plays in a fabric or article of clothing. The practical application is explained in detail and numerous illustrations serve as clarification. Over 50 well-known designers, research institutes, companies and artists, among them Philips, Burton, MIT Media Lab, XS Labs, New York University, Hussein Chalayan, Cute Circuit or International Fashion Machines are introduced by means of their latest, often still unpublished, project, and a survey of their work to date. Given for the first time is a list of all the relevant information on research institutes, materials, publications etc. A must for all those wishing to know everything about fashionable technology.

***The Happiest Baby on the Block*** Harvey Karp, M.D. 2008-11-19 Perfect for expecting parents who want to provide a soothing home for the newest member of their family, The Happiest Baby on the Block, the national bestseller by respected pediatrician and child development expert Dr. Harvey Karp, is a revolutionary method for calming a crying infant and promoting healthy sleep from day one. In perhaps the most important parenting book of the decade, Dr. Harvey Karp reveals an extraordinary treasure sought by parents for centuries --an automatic "off-switch" for their baby's crying. No wonder pediatricians across the country are praising him and thousands of Los Angeles parents, from working moms to superstars like Madonna and Pierce Brosnan, have turned to him to learn the secrets for making babies happy. Never again will parents have to stand by helpless and frazzled while their poor baby cries and cries. Dr. Karp has found there IS a remedy for colic. "I share with parents techniques known only to the most gifted baby soothers throughout history ...and I explain exactly how they work." In a innovative and thought-provoking reevaluation of early infancy, Dr. Karp blends modern science and ancient wisdom to prove that newborns are not fully ready for the world when they are born. Through his research and experience, he has developed four basic principles that are crucial for understanding babies as well as improving their sleep and soothing their senses: ·The Missing Fourth Trimester: as odd as it may sound, one of the main reasons babies cry is because they are born three months too soon. ·The Calming Reflex: the automatic reset switch to stop crying of any baby in the first few months of life. ·The 5 "S's": the simple steps (swaddling, side/stomach position, shushing, swinging and sucking) that trigger the calming reflex. For centuries, parents have tried these methods only to fail because, as with a knee reflex, the calming reflex only works when it is triggered in precisely the right way. Unlike other books that merely list these techniques Dr. Karp teaches parents exactly how to do them, to guide cranky infants to calm and easy babies to serenity in minutes...and help them sleep longer too. ·The Cuddle Cure: the perfect mix the 5 "S's" that can soothe even the most colicky of infants. In the book, Dr. Karp also explains: What is colic? Why do most babies get much more upset in the evening? How can a parent calm a baby--in mere minutes? Can babies be spoiled? When should a parent of a crying baby call the doctor? How can a parent get their baby to sleep a few hours longer? Even the most loving moms and dads sometimes feel pushed to the breaking point by their infant's persistent cries. Coming to the rescue, however, Dr. Karp places in the hands of parents, grandparents, and all childcare givers the tools they need to be able to calm their babies almost as easily as...turning off a light. From the Hardcover edition.

**Classic Greenwich Houses** Charles F. Hilton 2020-09-15 Elegant and welcoming houses in bucolic settings by Charles Hilton, a leading traditional architect in Greenwich. This book presents nine spectacular houses, each responding to an equally spectacular site. They are the work of Charles Hilton, a leading traditional architect in Greenwich, Connecticut, whose firm has been honored with multiple regional and national awards including Palladio and Stanford White awards. As an architect, Hilton is committed to designing imaginative buildings that inspire and delight and to creating a humanistic architecture that embodies the aspirations of his clients. He works in traditional vocabularies--principally Georgian, Beaux-Arts and shingle style--with exquisite classical detailing, but his houses are also completely contemporary in incorporating state-of-the-art technology and sustainable design. As he observes, "Our clients rely on our creativity and ingenuity to create houses that honor tradition, while seamlessly integrating modern amenities essential for contemporary living." Hilton has practiced in Greenwich for more than thirty years, and he is completely fluent with its rich and diverse architectural heritage. This means that his houses, while meticulously detailed and impressive, are also beautifully integrated into the panoramic waterfronts, rolling lawns and rustic back-country landscapes that are characteristic of Greenwich and the surrounding countryside.

**Moore Ruble Yudell** Moore, Ruble, Yudell, Architects & Planners 2011 'Place', a sense of place of unique human attachment is the bedrock of the architectural approach by this Practice. The configuration of space and form, functional relationships of materials [and use] and defining, articulating and celebrating the design of a place represents MRY's methodology. There is a sense that their architecture is at the service of larger ideas about living, which is expressed in the process of place-making. This response to contemporary life, the influence of Charles Moore, the emphasis on shared architectural values - and much else besides - all form the focus of these pages. The range of recent, functionally varied projects from all over the world demonstrates how MRY's value system can be adapted and made suitable for almost every client and every project. Under the headings of Residential, Civic, Campus and Community and Masterplanning and Housing a selection of projects capture the essence of the themes pursued by this Practice over the past 30 years. The Grangegorman Masterplan, Dublin Institute of Technology is just one such expression of MRY's philosophy.Contents include: studio profile, selected bibliography, selected awards and exhibitions, project chronology and project credits

**Backpacker** 2007-09 Backpacker brings the outdoors straight to the reader’s doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world’s first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker’s Editors’ Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

**McGraw-Hill’s GMAT** James M. Hasik 2007 More than 250,000 students take the GMAT every year. This title includes six full-length practice tests in the book and six more on the CD-ROM. It contains a special section on choosing the right MBA program, getting admitted to the top business schools, and surviving in school.

**The Jesus Papers** Michael Baigent 2009-03-17 In this New York Times–bestselling study, the co-author of Holy Blood, Holy Grail explores further mysteries surrounding Jesus Christ. What if everything we have been told about the origins of Christianity is a lie? What if a small group had always known the truth and had kept it hidden . . . until now? What if there is evidence that Jesus Christ survived the

crucifixion? In Holy Blood, Holy Grail Michael Baigent and his co-authors Henry Lincoln and Richard Leigh stunned the world with a controversial theory that Jesus Christ and Mary Magdalene married and founded a holy bloodline. The book became an international publishing phenomenon and was one of the sources for Dan Brown’s novel The Da Vinci Code. Now, with two additional decades of research behind him, Baigent’s The Jesus Papers presents explosive new evidence that challenges everything we know about the life and death of Jesus. Praise for The Jesus Papers “An explosive book.” —The Today Show “Fascinating.” —CNN’s American Morning

**Best of S. J. Perelman** S. J. Perelman 2017-08-07 In any consideration of S. J. Perelman-and S. J. Perelman certainly deserves the same consideration one accords old ladies on street cars, babies traveling unescorted on planes, and the feeble-minded generally-it is important to remember the crushing, the well-nigh intolerable odds under which the man has struggled to produce what may well be, in the verdict of history, the most picayune prose ever produced in America. Denied every advantage, beset and plagued by ill fortune and a disposition so crabbed as to make Alexander Pope and Dr. Johnson seem sunny by contrast, he has nevertheless managed to belt out a series of books each less distinguished than its predecessor, each a milestone of bombast, conceit, pedantry, and strutting pomposity. In his pages proliferate all the weird grammatical flora tabulated by H. W. Fowler in his Modem English Usage-the Elegant Variation, the Facetious Zeugma, the Cast-iron Idiom, the Battered Ornament, the BowerVBird Phrase, the Sturdy Indefensible, the Side-Slip, and the Unequal Yokefellow. His work is a museum of mediocrity, a monument to the truly banal. What Flaubert did to the French bourgeois in Bouvard and Pecuchet, what Pizarro did to the Incas, what Jack Dempsey did to Paolino Uzcudun, S. J. Perelman has done to American belles-lettres.

*It’s So Easy* Duff McKagan 2012-03-20 Musician Duff McKagan shares details about his life and career, discussing the creation and rise of Guns n’ Roses, his struggle with alcoholism and drug addiction, his path to sobriety, and more.

**Power Etiquette** Dana May CASPERSON 1999-03-22 No-nonsense guidance to a crucial set of personal career skills. Can table manners make or break a megamerger? Can a faxing faux-pas derail a promising business relationship? Can an improper introduction cost you a client? Can manners (or lack of them) really kill a career? Absolutely. In an era when companies are competing on the basis of service, manners are much more than a social nicety — they’re a crucial business skill. In fact, good manners are good business. This no-nonsense “manners reference” refreshes readers on everyday etiquette and makes sure they’re on their best behavior. It provides quick guidance on such pertinent and timely topics as: \* telephone and e-mail etiquette \* table manners \*grooming and business dress

\* written communications \* gift giving \* resumes and interviews \* making introductions \* public speaking \* networking, and more.

**The 5AM Club** Robin Sharma 2018-12-04 Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, The 5am Club will walk you through: How great geniuses, business titans and the world’s wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed “Insider-only” tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, The 5am Club is a work that will transform your life. Forever.

**Mona Lisa Overdrive** William Gibson 2012-11-07 William Gibson, author of the extraordinary multiaward-winning novel Neuromancer, has written his most brilliant and thrilling work to date . . .The Mona Lisa Overdrive. Enter Gibson’s unique world—lyric and mechanical, sensual and violent, sobering and exciting—where multinational corporations and high tech outlaws vie for power, traveling into the computer-generated universe known as cyberspace. Into this world comes Mona, a young girl with a murky past and an uncertain future whose life is on a collision course with internationally famous Sense/Net star Angie Mitchell. Since childhood, Angie has been able to tap into cyberspace without a computer. Now, from inside cyberspace, a kidnapping plot is masterminded by a phantom entity who has plans for Mona, Angie, and all humanity, plans that cannot be controlled. . . . or even known. And behind the intrigue lurks the shadowy Yazuka, the powerful Japanese underworld, whose leaders ruthlessly manipulate people and events to suit their own purposes . . . or so they think.

**Cybill Disobedience** Cybill Shepherd 2001 "I DID EXACTLY AS I PLEASED, AND WHAT PLEASED ME WAS SEX. If you only ever buy one Hollywood autobiography make it this one. Sassy, shocking, funny and totally revealing this is Cybill Shepherd's unexpurgated life-story, told with the wit and honesty you'd expect from the star that's seen it all and knows it all. She has been 57 kinds of disobedient and she has never held back from doing or saying what she wants. Cybill Disobedience is a limit-breaKing, open-top car ride down Hollywood's Hall of Fame. From top model to movie siren, sex with Elvis to Bruce Willis's appeal. The Last Picture Show To Taxi Driver, the Cybil disaster and the Moonlighting phenomenon, it's all in here, every boyfriend, every affair, every good film and bad film. But most of all it's about a strong woman's determination to survive. The whole shebang - from Hollywood's moustiest queen."

**Cocaine + Surfing** Chas Smith 2019-12-11 From the author of Welcome to Paradise, Now Go To Hell, a finalist for the PEN Center USA Award for Nonfiction One of Pearl Jam's Jeff Ament's Top 10 of 2018 It's no surprise that surfers like to party. The 1960-70s image, bolstered by Tom Wolfe and Big Wednesday, was one of mild outlaws--tanned boys refusing to grow up, spending their days drinking beer and smoking joints on the beach in between mindless hours in the water. But in the 1980s, as surf brands morphed into multibillion-dollar companies, the derelict portrait began to harm business. The external surf image became Kelly Slater and Laird Hamilton, beacons of health, vitality, bravery, and clean-living. Internally, though, surfing had moved on from booze and weed to its heart's true home, its soul's twin flame: cocaine. The rise of cocaine in American popular culture as the choice of rich, white elites was matched, then quadrupled, within surf culture. The parties got wilder, the nights stretched longer, the stories became more ridiculously unbelievable. And there has been no stopping, no dip in passion. It is a forbidden love, and few, if any, outside the surf world know about this particular rhapsody. Drug use is kept very well-hidden, even from insiders, but evidence of its psychosis rears its head from time to time in the form of overdoses, bar fights, surf contests, murders, and cover-ups. Cocaine + Surfing draws back the curtain on a hopped-up, sometimes-sexy, sometimes-deadly relationship and uses cocaine as the vehicle to expose and explain the utterly absurd surf industry to outsiders.

**Physician-Assisted Dying** Timothy E. Quill 2004-10-13 In this volume, a distinguished group of physicians, ethicists, lawyers, and activists come together to present the case for the legalization of physician-assisted dying, for terminally ill patients who voluntarily request it. To counter the arguments and assumptions of those opposed to legalization of assisted suicide, the contributors examine ethical arguments concerning self-determination and the relief of suffering; analyze empirical data from Oregon and the Netherlands; describe their personal experiences as physicians, family members, and patients; assess the legal and ethical responsibilities of the physician; and discuss the role of pain, depression, faith, and dignity in this decision. Together, the essays in this volume present strong arguments for the ethical acceptance and legal recognition of the practice of physician-assisted dying as a last resort -- not as an alternative to excellent palliative care but as an important possibility for patients who seek it.
