[The Perfect Machine](#) Lance Letscher 2010-09 Through collages in text and art, the child is brought to the conclusion that the most

perfect machine is a human being.

[Mona Lisa Overdrive](#) William Gibson 2012-11-07 William Gibson, author of the extraordinary multiaward-winning novel

Neuromancer, has written his most brilliant and thrilling work to date . . .The Mona Lisa Overdrive. Enter Gibson's unique world—lyric and mechanical, sensual and violent, sobering and exciting—where multinational corporations and high tech outlaws vie for power, traveling into the computer-generated universe known as cyberspace. Into this world comes Mona, a young girl with a murky past and an uncertain future whose life is on a collision course with internationally famous Sense/Net star Angie Mitchell. Since childhood, Angie has been able to tap into cyberspace without a computer. Now, from inside cyberspace, a kidnapping plot is masterminded by a phantom entity who has plans for Mona, Angie, and all humanity, plans that cannot be controlled . . . or even known. And behind the intrigue lurks the shadowy Yazuka, the powerful Japanese underworld, whose leaders ruthlessly manipulate people and events to suit their own purposes . . . or so they think.

Imperial Leather Anne McClintock 2013-10-01 Imperial Leather chronicles the dangerous liaisons between gender, race and class that shaped British imperialism and its bloody dismantling. Spanning the century between Victorian Britain and the current struggle for power in South Africa, the book takes up the complex relationships between race and sexuality, fetishism and money, gender and violence, domesticity and the imperial market, and the gendering of nationalism within the zones of imperial and anti-imperial power.

Austerlitz W.G. Sebald 2011-12-06 Austerlitz, the internationally acclaimed masterpiece by “one of the most gripping writers imaginable” (The New York Review of Books), is the story of a man’s search for the answer to his life’s central riddle. A small child when he comes to England on a Kindertransport in the summer of 1939, one Jacques Austerlitz is told nothing of his real family by the Welsh Methodist minister and his wife who raise him. When he is a much older man, fleeting memories return to him, and obeying an instinct he only dimly understands, he follows their

trail back to the world he left behind a half century before. There, faced with the void at the heart of twentieth-century Europe, he struggles to rescue his heritage from oblivion.

Wicked Gregory Maguire 2009-10-13 This is the book that started it all! The basis for the smash hit Tony Award-winning Broadway musical, Gregory Maguire's breathtaking New York Times bestseller Wicked views the land of Oz, its inhabitants, its Wizard, and the Emerald City, through a darker and greener (not rosier) lens. Brilliantly inventive, Wicked offers us a radical new evaluation of one of the most feared and hated characters in all of literature: the much maligned Wicked Witch of the West who, as Maguire tells us, wasn't nearly as Wicked as we imagined.

The Voynich Manuscript M. E. D'Imperio 1978 In spite of all the papers that others have written about the manuscript, there is no complete survey of all the approaches, ideas, background information and analytic studies that have accumulated over the nearly fifty-five years since the manuscript was discovered by Wilfrid M. Voynich in 1912. This report pulls together all the information the author could obtain from all the sources she has examined, and to present it in an orderly fashion. The resulting survey will provide a firm basis upon which other students may

build their work, whether they seek to decipher the text or simply to learn more about the problem.

Pattern Recognition William Gibson 2004-06-24 Pattern Recognition - a pulsating techno-thriller by William Gibson, bestselling author of Neuromancer Cayce Pollard has been flown to London. She's a 'coolhunter' - her services for hire to global corporations desperate for certainty in a capricious and uncertain world. Now she's been offered a special project: track down the makers of the addictive online film that's lighting up the 'net. Hunting the source will take her to Tokyo and Moscow and put her in the sights of Japanese computer crazies and Russian Mafia men. She's up against those who want to control the film, to own it - who figure breaking the law is just another business strategy. The kind of people who relish turning the hunter into the hunted . . . William Gibson is a prophet and a satirist, a black comedian and an outstanding architect of cool. Readers of Neal Stephenson, Ray Bradbury and Iain M. Banks will love this book. Pattern Recognition is the first novel in the Blue Ant trilogy - read Spook Country and Zero History for more. 'A big novel, full of bold ideas . . . races along like an expert thriller' GQ 'Dangerously hip. Its dialogue and characterization will amaze you. A wonderfully detailed, reckless journey of espionage and lies' USA Today 'A compelling, humane story with a sympathetic heroine searching for meaning and

consolation in a post-everything world' Daily Telegraph Idroru is a gripping techno-thriller by William Gibson, bestselling author of Neuromancer 'Fast, witty and cleverly politicized' Guardian Flowers in the Attic V.C. Andrews 2005-08-02 This is the extraordinary novel that has captured millions in its spell!

Five Feet Apart Rachael Lippincott 2019-02-05 Now a major motion picture starring Cole Sprouse and Haley Lu Richardson! Goodreads Choice Winner, Best Young Adult Fiction of 2019 In this #1 New York Times bestselling novel that's perfect for fans of John Green's The Fault in Our Stars, two teens fall in love with just one minor complication—they can't get within a few feet of each other without risking their lives. Can you love someone you can never touch? Stella Grant likes to be in control—even though her totally out of control lungs have sent her in and out of the hospital most of her life. At this point, what Stella needs to control most is keeping herself away from anyone or anything that might pass along an infection and jeopardize the possibility of a lung transplant. Six feet apart. No exceptions. The only thing Will Newman wants to be in control of is getting out of this hospital. He couldn't care less about his treatments, or a fancy new clinical drug trial. Soon, he'll turn eighteen and then he'll be able to unplug all these machines and actually go see the world, not just its hospitals. Will's exactly what Stella needs to stay away from. If he so much as breathes on Stella she could lose her spot on the transplant list. Either one of them could die. The only way to stay alive is to stay apart. But suddenly six feet doesn't feel like safety. It feels like punishment. What if they could steal back just a little bit of the space their broken lungs have stolen from them? Would five feet apart really be so dangerous if it stops their hearts from breaking too?

Trap Door Reina Gossett 2017-12-15 Essays, conversations, and archival investigations explore the paradoxes, limitations, and social ramifications of trans representation within contemporary culture. The increasing representation of trans identity throughout art and popular culture in recent years has been nothing if not paradoxical. Trans visibility is touted as a sign of a liberal society, but it has coincided with a political moment marked both by heightened violence against trans people (especially trans women of color) and by the suppression of trans rights under civil law. *Trap Door* grapples with these contradictions. The essays, conversations, and dossiers gathered here delve into themes as wide-ranging yet interconnected as beauty, performativity, activism, and police brutality. Collectively, they attest to how trans people are frequently offered “doors”—entrances to visibility and recognition—that are actually “traps,” accommodating trans bodies and communities only insofar as they cooperate with dominant norms. The volume speculates about a third term, perhaps uniquely suited for our time: the trapdoor, neither entrance nor exit, but a secret passageway leading elsewhere. *Trap Door* begins a conversation that extends through and beyond trans culture, showing how these issues have relevance for anyone invested in the ethics of visual culture. The Last Time I Lied Riley Sager 2019-04-02 THE INSTANT NEW YORK TIMES BESTSELLER From the author of *Survive the Night* and *Final Girls* comes a tense and twisty thriller about a summer camp that's impossible to forget—no matter how hard you try. Two Truths and a Lie. Vivian, Natalie, Allison, and Emma played it all the time in their cabin at Camp Nightingale. But the games ended the night Emma sleepily watched the others sneak out into the darkness. The last she—or anyone—saw of the teenagers was Vivian closing the cabin door behind her, hushing Emma with a finger pressed to her lips.... Fifteen years later, Emma is a rising star in the New York art scene, turning her past into paintings—massive canvases filled with dark leaves and gnarled branches over ghostly shapes in white dresses. When the paintings catch the attention of the wealthy owner of Camp Nightingale, she implores Emma to come back to the newly reopened camp as a painting instructor. Despite her guilt and anxiety—or maybe because of them—Emma agrees to revisit her past. Nightingale looks the same as it did all those years ago, haunted by a midnight-dark lake and familiar faces. Emma is even assigned to the same cabin she slept in as a teenager, although the security camera pointed at her door is a disturbing new addition. As cryptic clues about the camp's origins begin to surface, Emma attempts to find out what really happened to her friends. But her closure could come at a deadly price.

10-Minute Blocks Suzanne McNeill 2010-01-01 Turn large blocks into speedy quilts using this handy "10-minute" technique. You really can make a 19" block in less than 10 minutes. That means you can sew a king-size quilt top in a day, or a throw quilt in just an hour or two!

Faithful Place Tana French 2010-07-13 From Tana French, author of the forthcoming novel *The Searcher*, "the most important crime novelist to emerge in the past 10 years" (*The Washington Post*), the bestseller called "the most stunning of her books" (*The New York Times*) and a finalist for the Edgar Award. Back in 1985, Frank Mackey was a nineteen-year-old kid with a dream of escaping his family's cramped flat on Faithful Place and running away to London with his girl, Rosie Daly. But on the night they were supposed to leave, Rosie didn't show. Frank took it for granted that she'd dumped him—probably because of his alcoholic father, nutcase mother, and generally dysfunctional family. He never went home again. Neither did Rosie. Then, twenty-two years later, Rosie's suitcase shows up behind a fireplace in a derelict house on Faithful Place, and Frank, now a detective in the Dublin Undercover squad, is going home whether he likes it or not.

Bright Lines Tanwi Nandini Islam 2015-08-11 Named a finalist for the Center for Fiction First Novel Prize, the Brooklyn Eagles Literary Prize, and the Edmund White Debut Fiction Award "A Brooklyn-by-way-of-Bangladesh Royal Tenenbaums."—*The Denver Post* A vibrant debut novel, set in Brooklyn and Bangladesh, follows three young women and one family struggling to make peace with secrets and their past. For as long as she can remember, Ella has longed to feel at home. Orphaned as a child after her parents' murder, and afflicted with hallucinations at dusk, she's always felt more at ease in nature than with people. She

traveled from Bangladesh to Brooklyn to live with the Saleems: her uncle Anwar, aunt Hashi, and their beautiful daughter, Charu, her complete opposite. One summer, when Ella returns home from college, she discovers Charu's friend Maya—an Islamic cleric's runaway daughter—asleep in her bedroom. As the girls have a summer of clandestine adventure and sexual awakenings, Anwar—owner of a popular botanical apothecary—has his own secrets, threatening his thirty-year marriage. But when tragedy strikes, the Saleems find themselves blamed. To keep his family from unraveling, Anwar takes them on a fated trip to Bangladesh, to reckon with the past, their extended family, and each other.

The Great Gatsby F. Scott Fitzgerald 2021-02-14 Set in the Jazz Age on Long Island, the novel depicts narrator Nick Carraway's interactions with mysterious millionaire Jay Gatsby and Gatsby's obsession to reunite with his former lover, Daisy Buchanan. Gatsby continues to attract popular and scholarly attention. The novel was most recently adapted to film in 2013 by director Baz Luhrmann, while modern scholars emphasize the novel's treatment of social class, inherited wealth compared to those who are self-made, race, environmentalism, and its cynical attitude towards the American dream. As with other works by Fitzgerald, criticisms include allegations of antisemitism. The Great Gatsby is widely considered to be a literary masterwork and a contender for the title of the Great American Novel.

Nat Goodwin's Book Nathaniel Carll Goodwin 1914
You Deserve Each Other Sarah Hogle 2020-04-07 When your nemesis also happens to be your fiancé, happily ever after becomes a lot more complicated in this wickedly funny, lovers-to-enemies-to-lovers romantic comedy debut. Naomi Westfield has the perfect fiancé: Nicholas Rose holds doors open for her, remembers her restaurant orders, and comes from the kind of upstanding society family any bride would love to be a part of. They never fight. They're preparing for their lavish wedding that's three months away. And she is miserably and utterly sick of him.

Naomi wants out, but there's a catch: whoever ends the engagement will have to foot the nonrefundable wedding bill. When Naomi discovers that Nicholas, too, has been feigning contentment, the two of them go head-to-head in a battle of pranks, sabotage, and all-out emotional warfare. But with the countdown looming to the wedding that may or may not come to pass, Naomi finds her resolve slipping. Because now that they have nothing to lose, they're finally being themselves—and having fun with the last person they expect: each other.

Eleanor Oliphant Is Completely Fine Gail Honeyman
2021-04-27 #1 NEW YORK TIMES BESTSELLER A REESE WITHERSPOON x HELLO SUNSHINE BOOK CLUB PICK A PENGUIN BOOK CLUB PICK “Beautifully written and incredibly funny. . . I fell in love with Eleanor; I think you will fall in love, too!” —Reese Witherspoon Smart, warm, uplifting, the story of an out-of-the-ordinary heroine whose deadpan weirdness and unconscious wit make for an irresistible journey as she realizes the only way to survive is to open her heart. No one's ever told Eleanor that life should be better than fine. Meet Eleanor Oliphant: She struggles with appropriate social skills and tends to say exactly what she's thinking. Nothing is missing in her carefully timetabled life of avoiding social interactions, where weekends are punctuated by frozen pizza, vodka, and phone chats with Mummy. But everything changes when Eleanor meets Raymond, the bumbling and deeply unhygienic IT guy from her office. When she and Raymond together save Sammy, an elderly gentleman who has fallen on the sidewalk, the three become the kinds of friends who rescue one another from the lives of isolation they have each been living. And it is Raymond's big heart that will ultimately help Eleanor find the way to repair her own profoundly damaged one.

Haunted Chuck Palahniuk 2005-05-03 Haunted is a novel made up of twenty-three horrifying, hilarious, and stomach-churning stories. They're told by people who have answered an ad for a writer's retreat and unwittingly joined a “Survivor”-like scenario

where the host withholds heat, power, and food. As the storytellers grow more desperate, their tales become more extreme, and they ruthlessly plot to make themselves the hero of the reality show that will surely be made from their plight. This is one of the most disturbing and outrageous books you'll ever read, one that could only come from the mind of Chuck Palahniuk.

What Burns Away Melissa Falcon Field 2015-01-27 "A debut novel with a bighearted sensuality and a bull's-eye precision on a par with our best working writers today. A must-read." -Jan Elizabeth Watson, author of *What Has Become of You* and *Asta in the Wings* Good wife, good mother. That's all Claire Spruce is trying to be, but the never-ending snow in this new town and her workaholic husband are making her crazy. Even the sweet face of her toddler son can't pull her out of the dark places in her head. Feeling overwhelmed and alone, she reconnects with her long-lost high school boyfriend, Dean, who offers an intoxicating, reckless escape. But Dean's reappearance is not a coincidence. He wants something from Claire—and she soon finds that the cost of repaying an old favor may lead to the destruction of her entire life. *What Burns Away* is a story of loyalty, family, and the consequences of the past's inevitable collision with our future. "This novel is captivating...it moves fast, doesn't let you catch your breath, and leaves you shaken." -Sarah Braunstein, author of *The Sweet Relief* of *Missing Children* "A new mom's fiery first love is back, and he challenges all she's built for herself, revealing the fragility of suburban dreams." -Bill Roorbach, author of *The Remedy for Love* and *Life Among Giants*

Chromatic Cinema Richard Misek 2010-04-26 *Chromatic Cinema* Color permeates film and its history, but study of its contribution to film has so far been fragmentary. *Chromatic Cinema* provides the first wide-ranging historical overview of screen color, exploring the changing uses and meanings of color in moving images, from

hand painting in early skirt dance films to current trends in digital color manipulation. In this richly illustrated study, Richard Misek offers both a history and a theory of screen color. He argues that cinematic color emerged from, defined itself in response to, and has evolved in symbiosis with black and white. Exploring the technological, cultural, economic, and artistic factors that have defined this evolving symbiosis, Misek provides an in-depth yet accessible account of color's spread through, and ultimate effacement of, black-and-white cinema.

Xerophile, Revised Edition Cactus Store 2021-11-23 An updated edition of the cult classic, featuring stunning archival photographs of hundreds of the rarest and most spectacular plants on Earth, taken by a motley crew of cactus obsessives "A catalogue of wonders that most of us will never get to see in person."—*The New Yorker* From the people behind Cactus Store comes *Xerophile*, a photographic collection of these improbable desert wonders in the wild. Drawing on the archives of twenty-five cactus obsessives—from PhD botanist to banker, art teacher to cancer researcher—this revised edition spans eighty years and features new and expanded descriptive notes for all 350+ photos. *Xerophile* brings together eighty years' worth of these explorers' remarkable images from some of the world's most remote habitats: a peculiar two-leaved plant that lives for millennia in the deserts of Namibia; succulents whose poisonous sap is used by hunters to fell large game in Angola; and cactus that live on snow-covered mountains in Bolivia, sink below ground level to survive droughts in Mexico, are pollinated by bats in Brazil, and grow in pure lava fields of the Galápagos Islands.

Sweetness and Power Sidney W. Mintz 1986-08-05 A fascinating persuasive history of how sugar has shaped the world, from European colonies to our modern diets In this eye-opening study, Sidney Mintz shows how Europeans and Americans transformed sugar from a rare foreign luxury to a commonplace necessity of modern life, and how it changed the history of capitalism and

industry. He discusses the production and consumption of sugar, and reveals how closely interwoven are sugar's origins as a "slave" crop grown in Europe's tropical colonies with its use first as an extravagant luxury for the aristocracy, then as a staple of the diet of the new industrial proletariat. Finally, he considers how sugar has altered work patterns, eating habits, and our diet in modern times. "Like sugar, Mintz is persuasive, and his detailed history is a real treat." -San Francisco Chronicle

Plashers Mead Compton MacKenzie 2021-04-25 This novel by Compton MacKenzie gives a picture of English life in the early part of the twentieth century. The story focuses on two years in the lives of two sisters. It begins with the arrival of a young man, Guy Hazlewood, and his many boxes of books. Plashers Mead is the name of the house that he has rented and tonight is going to be his first night there. It is empty, unkempt, and prone to flood (according to the pony trap driver who drives him there) but Guy has ambitions for the house and how it will look in the future.
