Hatchet Gary Paulsen 2017-10-03 Celebrate the thirtieth anniversary of the Newbery Honor-winning survival novel Hatchet with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. Hatchet has also been nominated as one of America's best-loved novels by PBS's The Great American Read. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother's infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to

hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.

Dressing Modern Frenchwomen Mary Lynn Stewart 2020-03-03 At a glance, high fashion and feminism seem unlikely partners. Between the First and Second World Wars, however, these forces combined femininity and modernity to create the new, modern French woman. In this engaging study, Mary Lynn Stewart reveals the fashion industry as an integral part of women's transition into modernity. Analyzing what female columnists in fashion magazines and popular women novelists wrote about the "new silhouette," Stewart shows how bourgeois women feminized the more severe, masculine images that elite designers promoted to create a hybrid form of modern that both emancipated

women and celebrated their femininity. She delves into the intricacies of marketing the new clothes and the new image to middle-class women and examines the nuts and bolts of a changing industry—including textile production, relationships between suppliers and department stores, and privacy and intellectual property issues surrounding ready-to-wear couture designs. *Dressing Modern Frenchwomen* draws from thousands of magazine covers, advertisements, fashion columns, and features to uncover and untangle the fascinating relationships among the fashion industry, the development of modern marketing techniques, and the evolution of the modern woman as active, mobile, and liberated.

Out Of Control Kevin Kelly 2009-04-30 *Out of Control* chronicles the dawn of a new era in which the machines and systems that drive our economy are so complex and autonomous as to be indistinguishable from living things.

Trap Door Reina Gossett 2017-12-15 Essays, conversations, and archival investigations explore the paradoxes, limitations, and social ramifications of trans representation within contemporary culture. The increasing representation of trans identity throughout art and popular culture in recent years has been nothing if not paradoxical. Trans visibility is touted as a sign of a liberal society, but it has coincided with a political moment marked both by heightened violence against trans people (especially trans women of color) and by the suppression of trans rights under civil law. *Trap Door* grapples with these contradictions. The essays, conversations, and dossiers gathered here delve into themes as wide-ranging yet interconnected as beauty, performativity, activism, and police brutality. Collectively, they attest to how trans people are frequently offered “doors”—entrances to visibility and recognition—that are actually “traps,” accommodating trans bodies and communities only insofar as they cooperate with dominant norms. The volume speculates about a third term, perhaps uniquely suited for our time: the trapdoor, neither entrance nor exit, but a secret passageway leading elsewhere. *Trap Door* begins a conversation that extends through and beyond trans culture, showing how these issues have relevance for anyone invested in the ethics

To Sell Is Human Daniel H. Pink 2012-12-31 Look out for Daniel Pink's new book, *When: The Scientific Secrets of Perfect Timing* #1 New York Times Business Bestseller #1 Wall Street Journal Business Bestseller #1 Washington Post bestseller From the bestselling author of *Drive* and *A Whole New Mind*, and teacher of the popular MasterClass on Sales and Persuasion, comes a surprising--and surprisingly useful--new book that explores the power of selling in our lives. According to the U.S. Bureau of Labor Statistics, one in nine Americans works in sales. Every day more than fifteen million people earn their keep by persuading someone else to make a purchase. But dig deeper and a startling truth emerges: Yes, one in nine Americans works in sales. But so do the other eight. Whether we're employees pitching colleagues on a new idea, entrepreneurs enticing funders to invest, or parents and teachers cajoling children to study, we spend our days trying to move others. Like it or not, we're all in sales now. *To Sell Is Human* offers a fresh look at the art and science of selling. As he did in *Drive* and *A Whole New Mind*, Daniel H. Pink draws on a rich trove of social science for his counterintuitive insights. He reveals the new ABCs of moving others (it's no longer "Always Be Closing"), explains why extraverts don't make the best salespeople, and shows how giving people an "off-ramp" for their actions can matter more than actually changing their minds. Along the way, Pink describes the six successors to the elevator pitch, the three rules for understanding another's perspective, the five frames that can make your message clearer and more persuasive, and much more. The result is a perceptive and practical book--

one that will change how you see the world and transform what you do at work, at school, and at home.

Fashion Marketing Tony Hines 2007-02-07 A collection of international contributions from renowned academics and practitioners from the US, UK, China, the second edition of Fashion Marketing has been completely updated, revised and expanded to reflect the major changes in the fashion industry since 2001 and covers all of the key themes and issues of the area. Electroboy Andy Behrman 2003 The author describes his longtime battle with ills of manic depression, his desperate search for the ultimate high, the art-forgery scandal that confined him to jail and to house arrest, and his decision to opt for the controversial treatment of electroconvulsive therapy to preserve his sanity. Reprint. 30,000 first printing.

Idea Man Paul Allen 2011-04-28 By his early thirties, Paul Allen was a world-famous billionaire-and that was just the beginning. In 2007 and 2008, Time named Paul Allen, the cofounder of Microsoft, one of the hundred most influential people in the world. Since he made his fortune, his impact has been felt in science, technology, business, medicine, sports, music, and philanthropy. His passion, curiosity, and intellectual rigor-combined with the resources to launch and support new initiatives-have literally changed the world. In 2009 Allen discovered that he had lymphoma, lending urgency to his desire to share his story for the first time. In this long-awaited memoir, Allen explains how he has solved problems, what he's learned from his many endeavors-both the triumphs and the failures-and his compelling vision for the future. He reflects candidly on an extraordinary life. The book also features previously untold stories about everything from the true origins of Microsoft to Allen's role in the dawn of private space travel (with SpaceShipOne) and in discoveries at the frontiers of brain science.

With honesty, humor, and insight, Allen tells the

story of a life of ideas made real.

Sixteenth Summer Michelle Dalton 2011-05-03 Anna is dreading another tourist-filled summer on Dune Island that follows the same routine: beach, ice cream, friends, repeat. That is, until she locks eyes with Will, the gorgeous and sweet guy visiting from New York. Soon, her summer is filled with flirtatious fun as Anna falls head over heels in love. But with every perfect afternoon, sweet kiss, and walk on the beach, Anna can't ignore that the days are quickly growing shorter, and Will has to leave at the end of August. Anna's never felt anything like this before, but when forever isn't even a possibility, one summer doesn't feel worth the promise of her heart breaking....

The Blue Bistro Elin Hilderbrand 2010-05-25 Elin Hilderbrand, author of the enchanting Summer People and The Beach Club, invites you to experience the perfect getaway with her sparkling new novel. Adrienne Dealey has spent the past six years working for hotels in exotic resort towns. This summer she has decided to make Nantucket home. Left flat broke by her ex-boyfriend, she is desperate to earn some fast money. When the desirable Thatcher Smith, owner of Nantucket's hottest restaurant, is the only one to offer her a job, she wonders if she can get by with no restaurant experience. Thatcher gives Adrienne a crash course in the business...and they share an instant attraction. But there is a mystery about their situation: what is it about Fiona, the Blue Bistro's chef, that captures Thatcher's attention again and again? And why does such a successful restaurant seem to be in its final season before closing its doors for good? Despite her uncertainty, Adrienne must decide whether to open her heart for the first time, or move on, as she always does. Infused with intimate Nantucket detail and filled with the warmth of passion and the breeze of doubt, The Blue Bistro is perfect summer reading.

Places We've Never Been Kasie West 2022-05-31 A sweet and swoony contemporary Young Adult novel about a cross-country family road trip that puts one girl and her childhood best friend on an unexpected road to romance! Norah Simons's summer road trip is going to be absolutely perfect. She's leaving California for the first time in her life. She's interviewing at

her dream college (the place for future video game animators). And she's reconnecting with her childhood friend, Skyler Hutton—the boy who taught her to draw, the boy she's never forgotten about after all these years. What could go wrong? Cue the RV filled with three siblings, two moms, one bathroom, and years of memories, and suddenly this trip isn't quite the vacation Norah was hoping for—especially when Skyler makes it clear he would rather be anywhere but here. But Norah isn't one to give up without a fight. And as the families travel from desert heat to mountain vista, sparks begin to fly between these two ex-best friends—after all, friendship doesn't just fade away. Does it? Kasie West delivers another romantic and heartfelt story of family, first love, and how expanding your horizons can take you places you've never dreamed of.

Duncan Phyfe Peter M. Kenny 2011 "Duncan Phyfe (1770-1854), known during his lifetime as the "United States Rage," to this day remains America's best-known cabinetmaker.

Establishing his reputation as a purveyor of luxury by designing high-quality furniture for New York's moneyed elite, Phyfe would come to count among his clients some of the nation's wealthiest and most storied families. This richly illustrated volume covers the full chronological sweep of the craftsman's distinguished career, from his earliest furniture-- which bears the influence of his 18th-century British predecessors Thomas Sheraton and Thomas Hope--to his late simplified designs in the Grecian Plain. More than sixty works by Phyfe and his workshop are highlighted, including rarely seen pieces from private collections and several newly discovered documented works. Additionally, essays by leading scholars bring to light new information on Phyfe's life, his

workshop production, and his roster of illustrious patrons. What unfolds is the story of Phyfe's remarkable transformation from a young immigrant craftsman to an accomplished master cabinetmaker and an American icon."--

Jonathan Unleashed Meg Rosoff 2016-07-05

"[A] comic masterpiece." —People magazine's "Book of the Week" "A charming comedy on love, friendship, and the surprising influence of man's best friend." —Harper's Bazaar National Book Award finalist and bestselling author Meg Rosoff's charming, hilarious new novel about a young New Yorker's search for happiness and the two dogs who help him find it—the perfect summer read Jonathan Trefoil's boss is unhinged, his relationship baffling, and his apartment just the wrong side of legal. His girlfriend wants to marry someone just like him—only richer and with a different sense of humor. He doesn't remember life being this confusing, back before everyone expected him to act like a grown-up. When his brother asks him to look after his dogs, Jonathan's world view begins to shift. Could a border collie and a cocker spaniel hold the key to life, the universe, and everything? Their sly maneuvering on daily walks and visits to the alluring vet suggest that human emotional intelligence may not be top dog after all. A funny, wise romantic comedy set in Manhattan, *Jonathan Unleashed* is a story of tangled relationships, friendships, and dogs. Rosoff's novel is for anyone wondering what to be when they grow up, and how on earth to get there.

Lana and Lilly Wachowski Cael M. Keegan 2018-11-15 Lana and Lilly Wachowski have redefined the technically and topically possible while joyfully defying audience expectations. Visionary films like *The Matrix* trilogy and *Cloud Atlas* have made them the world's most influential transgender media producers, and their coming out retroactively put trans* aesthetics at the very center of popular American culture. Cael M. Keegan views the Wachowskis' films as an approach to trans* experience that maps a transgender journey and the promise we might learn "to sense beyond the limits of the given world." Keegan reveals how the filmmakers take up the relationship between identity and coding (be it computers or genes),

inheritance and belonging, and how transgender becoming connects to a utopian vision of a post-racial order. Along the way, he theorizes a trans* aesthetic that explores the plasticity of cinema to create new social worlds, new temporalities, and new sensory inputs and outputs. Film comes to disrupt, rearrange, and evolve the cinematic exchange with the senses in the same manner that trans* disrupts, rearranges, and evolves discrete genders and sexes.

Silver Thaw Catherine Anderson 2015-01-06 From the New York Times bestselling author of the Coulter and Harrigan Family series comes the first novel in a compelling contemporary romance series about unexpected love, second chances, and hope reborn... After years of living in fear of her husband, Amanda Banning has left him and moved to Mystic Creek, Oregon, for a fresh start. But she's having a tough time providing for herself and her six-year-old daughter. Writing her secret yearnings on slips of paper and sending them into the wind helps her cling to the hope that things will get better...and that she can find happiness again. Jeb Sterling has no idea that the handwritten messages he finds scattered across his land are the first hints that his life is about to change. Nor does he understand why he feels so compelled to help Amanda Banning and her daughter when a cold snap leaves them temporarily homeless. Maybe he's inspired by Amanda's courage or perhaps by her beautiful brown eyes. Either way, the man who once renounced love suddenly finds himself willing to do anything for the pair. Amanda seems to have given up on her dreams, but Jeb refuses to quit until he makes her every wish come true...

The Institute Stephen King 2021-06-29 In the middle of the night, in a house on a quiet street in suburban Minneapolis, intruders silently murder Luke Ellis' parents and load him into a black SUV. The operation takes less than two minutes. Luke will wake up at The Institute, in a room that looks just like his own, except there's no window. And outside his door are other doors, behind which are other kids with special talents--telekinesis and telepathy--who got to this place the same way Luke did: Kalisha, Nick, George, Iris, and 10-year-old Avery Dixon. They are all in Front Half. Others, Luke learns, graduated to Back Half, "like the roach motel,"

Kalisha says. "You check in, but you don't check out." In this most sinister of institutions, the director, Mrs. Sigsby, and her staff are ruthlessly dedicated to extracting from these children the force of their extranormal gifts. There are no scruples here. If you go along, you get tokens for the vending machines. If you don't, punishment is brutal. As each new victim disappears to Back Half, Luke becomes more and more desperate to get out and get help. But no one has ever escaped from The Institute.

Drive Daniel H. Pink 2011-04-05 The New York Times bestseller that gives readers a paradigm-shattering new way to think about motivation from the author of *When: The Scientific Secrets of Perfect Timing* Most people believe that the best way to motivate is with rewards like money—the carrot-and-stick approach. That's a mistake, says Daniel H. Pink (author of *To Sell Is Human: The Surprising Truth About Motivating Others*). In this provocative and persuasive new book, he asserts that the secret to high performance and satisfaction—at work, at school, and at home—is the deeply human need to direct our own lives, to learn and create new things, and to do better by ourselves and our world. Drawing on four decades of scientific research on human motivation, Pink exposes the mismatch between what science knows and what business does—and how that affects every aspect of life. He examines the three elements of true motivation—autonomy, mastery, and purpose—and offers smart and surprising techniques for putting these into action in a unique book that will change how we think and transform how we live.

New York Magazine 1993-09-20 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

TREYF Elissa Altman 2016-09-20 From the Washington Post columnist and James Beard Award-winning author of *Poor Man's Feast* comes a story of seeking truth, acceptance, and self in a world of contradiction... *Treyf*: According to Leviticus, unkosher and prohibited, like lobster, shrimp, pork, fish without scales, the mixing of meat and dairy. Also, imperfect, intolerable, offensive, undesirable, unclean, improper, broken, forbidden, illicit. Fans of Augusten Burroughs and Jo Ann Beard will enjoy this kaleidoscopic, universal memoir in which Elissa Altman explores the tradition, religion, family expectations, and the forbidden that were the fixed points in her Queens, New York, childhood. Every part of Altman's youth was laced with contradiction and hope, betrayal and the yearning for acceptance: synagogue on Saturday and Chinese pork ribs on Sunday; bat mitzvahs followed by shrimp-in-lobster-sauce luncheons; her old-country grandparents, whose kindness and love were tied to unspoken rage, and her bell-bottomed neighbors, whose adoring affection hid dark secrets. While the suburban promise of *The Brady Bunch* blared on television, Altman searched for peace and meaning in a world teeming with faith, violence, sex, and paradox. Spanning from 1940s wartime Brooklyn to 1970s Queens to present-day rural New England, *Treyf* captures the collision of youthful cravings and grown-up identities. It is a vivid tale of what it means to come to yourself both in spite and in honor to your past.

Good In Bed Jennifer Weiner 2008-09-04 From the bestselling author of *In Her Shoes*, *All Fall Down* and the forthcoming novel *Who Do You Love*, *Good in Bed* is a funny and tender story full of heart. *Cannie Shapiro* never wanted to be famous. The smart, sharp, plus-sized reporter was perfectly happy writing about other people's lives for her local newspaper. And for the past twenty-eight years, things have been tripping along nicely for *Cannie*. Sure, her mother has come charging out of the closet, and her father has long since dropped out of her world. But she loves her job, her friends, her dog and her life. She loves her apartment and her commodious, quilt-lined bed. She has made a tenuous peace with her body and she even felt okay about ending her relationship with her boyfriend *Bruce*. But now this... 'Loving a larger woman is

an act of courage in our world,' *Bruce* has written in a national woman's magazine. And *Cannie* - who never knew that *Bruce* saw her as a larger woman, or thought that loving her was an act of courage - is plunged into misery, and the most amazing year of her life.

How to Catch a Sinful Marquess Amy Rose Bennett 2020-08-25 A reserved debutante and a former soldier make an unlikely but fated match as they hasten for the Isle of Skye. Orphaned heiress *Olivia de Vere* should have the world--or at least the men of the ton--at her feet. But when she's thrown out of a young ladies' academy, *Olivia* doubts she'll ever find someone who will love her, rather than her bank account. To make matters worse, her dissolute cousin *Felix* is determined to marry her against her wishes. A virtual prisoner in her guardians' London townhouse, *Olivia* can't help but develop a tendre for her neighbor, a handsome Scottish marquess. Battle-scarred in more ways than one, *Hamish MacQueen*, Lord Sleat, has braved many dangers in life. But nothing has quite prepared him for the shock of having a young child dumped on his doorstep, with a note claiming she's his daughter. Just in the nick of time his pretty neighbor appears, offering to act as a nursemaid for the young girl on their journey to his estate in Scotland. He suspects she has her own reasons for wanting to flee the country... The close traveling quarters leads to a fierce attraction between *Olivia* and *Hamish* that seems impossible to resist. But when ghosts from the past and monsters from the present threaten to tear them apart, will their unlikely love survive?

Young House Love Sherry Petersik 2015-07-14 This New York Times bestselling book is filled with hundreds of fun, deceptively simple, budget-friendly ideas for sprucing up your home. Faithful Place Tana French 2010-07-13 From Tana French, author of the forthcoming novel *The Searcher*, "the most important crime novelist to emerge in the past 10 years" (The Washington Post), the bestseller called "the most stunning of her books" (The New York Times) and a finalist for the Edgar Award. Back in 1985, Frank Mackey was a nineteen-year-old kid with a dream of escaping his family's cramped flat on Faithful Place and running away to London with his girl, Rosie Daly. But on the night they were supposed to leave, Rosie didn't show. Frank took it for granted that she'd dumped him—probably because of his alcoholic father, nutcase mother, and generally dysfunctional family. He never went home again. Neither did Rosie. Then, twenty-two years later, Rosie's suitcase shows up behind a fireplace in a derelict house on Faithful Place, and Frank, now a detective in the Dublin Undercover squad, is going home whether he likes it or not.

Inherent Vice Thomas Pynchon 2012-06-13 Part noir, part psychedelic romp, all Thomas Pynchon—Private eye Doc Sportello surfaces, occasionally, out of a marijuana haze to watch the end of an era In this lively yarn, Thomas Pynchon, working in an unaccustomed genre that is at once exciting and accessible, provides a classic illustration of the principle that if you can remember the sixties, you weren't there. It's been a while since Doc Sportello has seen his ex-girlfriend. Suddenly she shows up with a story about a plot to kidnap a billionaire land developer whom she just happens to be in love with. It's the tail end of the psychedelic sixties in L.A., and Doc knows that "love" is another of those words going around at the moment, like "trip" or "groovy," except that this one usually leads to trouble. Undeniably one of the most influential writers at work today, Pynchon has penned another unforgettable book.

as scholars reconsider the nation's colonial past, new questions are being posed about these great houses and their links to Atlantic slavery. This book, authored by a range of academics and heritage professionals, grew out of a 2009 conference on 'Slavery and the British Country house: mapping the current research' organised by English Heritage in partnership with the University of the West of England, the National Trust and the Economic History Society. It asks what links might be established between the wealth derived from slavery and the British country house and what implications such links should have for the way such properties are represented to the public today. Lavishly illustrated and based on the latest scholarship, this wide-ranging and innovative volume provides in-depth examinations of individual houses, regional studies and critical reconsiderations of existing heritage sites, including two studies specially commissioned by English Heritage and one sponsored by the National Trust.

Addicted to an Addict Honey 2018-12-18 In Honey's debut novel, a man must learn how to cope with his wife's heroine addiction while raising two daughters and being the mayor of Atlanta. Atlanta's mayor, The Honorable Josiah J. Bishop, has an addiction to his wife, Mink, that is just as powerful as her toxic love affair with heroin. As her life spirals out of control due to her obsession with the needle, his love and devotion to her is slowly shredding his soul into tiny pieces. But he just can't let her go. The brotha's loyalty to the love of his life and the mother of his two young, adorable daughters is deeper than any ocean. No matter how far Mink drags Josiah down into the murkiness of drugs, booze, and danger on the streets of the ATL, he's determined to love, cherish, and honor her until death. He's hooked on her. It's just that simple. The only thing Mink is faithful to is her next fix. She'll cop it wherever she can and by any means, trying desperately to escape from the secret demons of her past that haunt her daily. Mink's troubled soul remains a prisoner of addiction, twirling violently like a tornado and destroying everything in its path. Not even the love of a good man can set her free from emotional bondage. As Election Day approaches, Josiah's bid to serve a second term in City Hall is

jeopardized when Mink commits her most heinous act. The media is going wild to cover the tragic murder and robbery of one of Mink's fellow addicts, a wealthy and prominent Hollywood filmmaker who was more than generous to her after she left yet another treatment facility. She's on the run from justice, ignoring Josiah's pleas to turn herself in. Mink realizes that she's at the end of her rope, but Josiah isn't sure if he has any more forgiveness in his heart for his wife. He will always love her, but finally, he desires love in return. His addiction to Mink has blinded him of that one basic need all this time. Now Josiah has a decision to make. Will he stay in the clutches of addiction to the drug called Mink? Or will he kick the habit once and for all and free himself forever?

Smyrna's Ashes Michelle Tusan 2012-11-15
"Set against one of the most horrible atrocities of the early twentieth century, the ethnic cleansing of Western Anatolia and the burning of the city of Izmir, *Smyrna's Ashes* is an important contribution to our understanding of how humanitarian thinking shaped British foreign and military policy in the Late Ottoman Eastern Mediterranean. Based on rigorous archival research and scholarship, well written, and compelling, it is a welcome addition to the growing literature on humanitarianism and the history of human rights."—Keith David Watenpaugh, University of California, Davis
"Traces an important but neglected strand in the history of British humanitarianism, showing how its efforts to aid Ottoman Christians were inextricably enmeshed in imperial and cultural agendas and helped to contribute to the creation of the modern Middle East."—Dane Kennedy, The George Washington University
"Tusan shows vividly and compassionately how Britain's attempt to build a 'Near East' in its own image upon the ruins of the Ottoman Empire served as prelude to today's Middle East of nation-states."—Peter Mandler, University of Cambridge
"An original and meticulously researched contribution to our understandings of British imperial, gender, and cultural history. *Smyrna's Ashes* demonstrates the long-standing influence of Middle Eastern issues on British self-identification. Tusan's conclusions will engage scholars in a variety of fields for years to

The Mars Room Rachel Kushner 2019-05-07
TIME'S #1 FICTION TITLE OF THE YEAR • NEW YORK TIMES NOTABLE BOOK OF 2018
FINALIST for the MAN BOOKER PRIZE and the NATIONAL BOOK CRITICS CIRCLE AWARD
LONGLISTED for the ANDREW CARNEGIE MEDAL
An instant New York Times bestseller from two-time National Book Award finalist Rachel Kushner, *The Mars Room* earned tweets from Margaret Atwood—"gritty, empathic, finely rendered, no sugar toppings, and a lot of punches, none of them pulled"—and from Stephen King—"The Mars Room is the real deal, jarring, horrible, compassionate, funny." It's 2003 and Romy Hall, named after a German actress, is at the start of two consecutive life sentences at Stanville Women's Correctional Facility, deep in California's Central Valley. Outside is the world from which she has been severed: her young son, Jackson, and the San Francisco of her youth. Inside is a new reality: thousands of women hustling for the bare essentials needed to survive; the bluffing and pageantry and casual acts of violence by guards and prisoners alike; and the deadpan absurdities of institutional living, portrayed with great humor and precision. Stunning and un sentimental, *The Mars Room* is "wholly authentic...profound...luminous" (The Wall Street Journal), "one of those books that enrage you even as they break your heart" (The New York Times Book Review, cover review)—a spectacularly compelling, heart-stopping novel about a life gone off the rails in contemporary America. It is audacious and tragic, propulsive and yet beautifully refined and "affirms Rachel Kushner as one of our best novelists" (Entertainment Weekly).

Morning Glory Sarah Jio 2013-11-26 The New

York Times bestselling author of *Always* imagines life on Boat Street, a floating community on Seattle's Lake Union, home to people of artistic spirit who for decades protect the dark secret of one startling night in 1959. Fleeing an East Coast life marred by tragedy, Ada Santorini takes up residence on houseboat number seven on Boat Street in search of inspiration and new opportunities. When she discovers a trunk left behind by Penny Wentworth, a young newlywed who lived on the boat half a century earlier, she is immediately drawn into this long lost story. Ever-curious, Ada longs to know her predecessor's fate, but does not suspect that Penny's mysterious past and her own clouded future are destined to converge...

Maid Stephanie Land 2019-01-22 NEW YORK TIMES BESTSELLER AND INSPIRATION FOR THE NETFLIX LIMITED SERIES, HAILED BY ROLLING STONE AS "A GREAT ONE." "A single mother's personal, unflinching look at America's class divide, a description of the tightrope many families walk just to get by, and a reminder of the dignity of all work." -PRESIDENT BARACK OBAMA, Obama's Summer Reading List At 28,

Stephanie Land's dreams of attending a university and becoming a writer quickly dissolved when a summer fling turned into an unplanned pregnancy. Before long, she found herself a single mother, scraping by as a housekeeper to make ends meet. *Maid* is an emotionally raw, masterful account of Stephanie's years spent in service to upper middle class America as a "nameless ghost" who quietly shared in her clients' triumphs, tragedies, and deepest secrets. Driven to carve out a better life for her family, she cleaned by day and took online classes by night, writing relentlessly as she worked toward earning a college degree. She wrote of the true stories that weren't being told: of living on food stamps and WIC coupons, of government programs that barely provided housing, of aloof government employees who shamed her for receiving what little assistance she did. Above all else, she wrote about pursuing the myth of the American Dream from the poverty line, all the while slashing through deep-rooted stigmas of the working poor. *Maid* is Stephanie's story, but it's not hers alone. It is an inspiring testament to the courage, determination, and ultimate strength of the human spirit.
