**Long-Distance Real Estate Investing** David Greene 2017-12-14 Live where you want, and invest anywhere it makes sense. "It is a common misperception in real estate investing that you should buy only where you live. David Greene has put that myth to rest... This is a must-read for investors who want to expand their real estate empire nationwide." --David Osborn, bestselling author of *Wealth Can't Wait* Are you interested in real estate investing, but you live in a hot market that is not suited for buy and hold investing? Do you want to take advantage of wealth-building opportunities, but that seems impossible until the next market crash? Real estate investing is one of the greatest vehicles to build wealth, but it doesn't make sense in every market. Some locations provide incredible returns, while others make it almost impossible to find a single property that profits. Traditionally, investing out of state has been considered risky and unwise. But the rules, technology, and markets have changed: No longer are you forced to invest only in your backyard! In his book, real estate investor and police officer David Greene shows you exactly how he's built a multi-million dollar portfolio through buying, managing, and flipping out-of-state properties, often without ever even seeing the properties in person. David shares every tip, trick, and system he has put in place for over twenty rental properties, so you can avoid making mistakes and shorten your learning curve immensely! What's inside: How to assemble an all-star team to handle each aspect of a deal from A-Z. How to find great deals in any state, regardless of where you live. How to rehab a project from thousands of miles away without worry or complication. How to speak the language of the agents, contractors, lenders, and property managers you will use. How to quickly and easily know which neighborhoods to buy, and which to pass in. How to choose the best materials for your rehab projects and pay the least amount of money. ...And more! Don't let your location dictate your financial freedom. Get the inside scoop to invest--and succeed--anywhere!

Build a Rental Property Empire Mark Ferguson 2016-03 "I finally got a chance to purchase and read your book (Build a Rental Property Empire). It was easy to read and practical and pragmatic - and I liked it enough to give a copy to my son who is just starting out with his real estate investing and also to two of my investor clients as closing gifts."-Sharon Learn the best way to invest in rental properties in this 300 plus page book written by real estate investor Mark Ferguson (owns more than 100,000 sqft of rentals). This book gives you the exact details on how to finance, find, analyze, manage, and even sell rental properties. Where other books lack the details on how to actually make money in real estate, this book is all about the details. It is written by someone who has been investing in real estate for over 15 years and is still investing today. If you are having trouble figuring out how to find the right properties, how to finance them, where to buy properties, or how to buy with little cash, this books tells you how to overcome those obstacles. If you can't find your answer in the book, Mark even gives away his email address where you can ask him directly. Mark is a successful rental property owner, fix and flipper and real estate broker. Mark has sold over 1,000 houses as a broker, flipped over 155 houses, and owns his own office Blue Steel Real Estate. Mark bought his first rental property on his own in December 2010 and now has 19 rentals (commercial and residential). He has fix and flipped houses since 2001 and been a real estate agent since 2001 as well. Over the years, he has learned the best way to find rentals, get great deals, manage properties, finance properties, find great markets and build wealth with rentals. In this book, Mark gives you all the information you need to be a successful rental property investor. Mark also started Investfourmore.com, a real estate blog with over 35,000 subscribers and millions of visitors. He is known for his straight to the point writing that is easy to understand and full of insight. This book is not full of theories and made up stories. It contains real-world case studies and information on investing from an investor actively investing in today's market (2017). Here are just a few of the topics covered: · Why rental properties will help you retire faster than other investments· The risks of investing in rentals· How to determine what a good rental property is· How to determine what type of rental to buy· How to get a great deal on properties· How to finance rentals, even if you have more than 4 or more than 10· How to invest in rentals with less cash· How to repair and maintain properties· How to manage rentals or find a property manager· What are the best exit strategies· How to buy rental properties when your market is too expensiveThis book has been revised a number of times to reflect current market conditions and changes in Mark's strategy.

Section 8 Bible Volume 3 Nicholas Cipriano 2019-10-07 After a ten-year hiatus and thousands of requests from our readers, it has arrived. The Section 8 Bible Volume Three is here! Nick and I are over 50 years old now, a lot wiser and just as nuts. "Do you guys still argue with your tenants?" Does a bear still shit in the woods? Of course! I'll probably argue with them until the day that I sell off my last Section 8 rental property, it keeps me young. I picked the best of my last 500 arguments to share with you."Do you guys still make mistakes?" Some, but not a whole hell of a lot. That's why it took me another ten years to write another book. I'll talk about a couple of mistakes I've made over the last ten years and what clever solutions we invented to correct them."Are there any new products that you guys can recommend?" You bet! Technology and manufacturing are changing every day and it's usually for the better. There were products that were total shit back then but have improved themselves so significantly that I now use them every day in my rentals (like Behr paint!)"Have you had to play dirty again?" I hate to admit it but yes, and I enjoy it every time! If someone is going out of their way to make my life miserable, I can't wait to turn the tables on them and make their life twice as difficult. I've got a gem for ya' that pertain to lawyers, so in my book, that makes playing dirty twice as nice."Do you have any more street-smart tips?" Sure, I have more tips to stay safe while working in the 'hood. One good thing is I haven't had to pull my gun out in ten years. Either I'm getting lucky or I'm getting smart. I still strap my gun on in the morning like I put my underwear. In fact, if I had to forget one or the other, I'd pick the underwear. I feel safer with my gun!Most people write a book to make money. Although you know how much I like money, I honestly love writing and sharing my adventures with fellow landlords. If I can motivate you, save you a dollar or an hour of time, or make you laugh at any time during the reading of this book, then I have done my job and that is exactly what

I am striving for.

*The BRRRR Method* Mike Slane 2020-06-06 The BRRRR Method is the ultimate guide to building a massive portfolio of single-family rental properties. It is a comprehensive step by step guide to investing in real estate using the BRRRR Method. What is the BRRRR Method you ask? It is an acronym for Buy, Rehab, Rent, Refinance, and Repeat. Why is it so popular you might be thinking? Aside from the cold as ice acronym, it allows you to use the same money over and over again to build a rental portfolio. Co-Authored by David Dodge and Mike Slane, the Hosts of the Discount Property Investor (DPI) Podcast and Authors of the Ultimate Guide to Wholesaling Real Estate. The DPI team has added 100 single family properties into their portfolio using the BRRRR Method and could not wait to share their insights with you as they continue to add to their portfolio. This book will teach you how to use and leverage The BRRRR Strategy so you too can build a massive portfolio of single-family homes. All you need to get started is the book and to be resourceful.
